Happy New Year!

January, 2018

Web Site: www.puyallupeagles.org

From Worthy President Gary

Here's wishing you the best in 2018!!!!

I hope all of your holidays were fun times spent with family and friends, and I wish all of you the best in 2018!

I want to thank everyone who donated in November and December with food and cash donations for the Puyallup Food Bank! I also want to recognize our Ladies Auxiliary who generously gave a total of \$400 in cash to the food bank cause. I'm sure that was a big boost to purchase items needed by the families during the holidays. We can make a difference for many in our community who have a hard time feeding their families, and I want to see this generosity continue throughout my year as President. Please keep giving if you can!

As we start a new year, and think about what we want to achieve together, it is my hope to see more Brothers offering to help as volunteers for the many needs we have at the Aerie. Please ask me when you see me, or any of the Trustees or other officers, where you can be of assistance. Some of those who always do these tasks are getting a little burned out. I also hope to see more of you at meetings so we can discuss the topics before us in a business arena instead of in the bar. Our meetings on the first and third Wednesday of each month at 7 p.m. They usually take about an hour to an hour and a half, so that's only about three hours of your time to give to your Aerie.

Please remember that all of our membership dates are through the end of May each year now, and you can pay your dues early. You can also pay for more than one year at a time if you wish.

Continue to check our monthly calendar, our website online and our Facebook page for upcoming events! See you at the Aerie!

— *Respectfully, Worthy President Gary Plumb*

By-Law, House Rule changes on the docket

My Brothers, first reading of proposed By-Laws and House Rule changes will take place on Wednesday, January 3 at our regular Aerie meeting with the second reading on Wednesday, January 17 and final reading, discussion and voting on February 7.

Proposed changes include updating wages to keep up with the minimum wage, allowing for a kitchen manager, changes to volunteer meal prices and minor changes to the "Queen of Hearts" rules. For more details come to the Aerie meetings.

Aerie By-Laws Chairman

From Madam President Carol

January's goal: Be a volunteer!

**WELCOME TO 2018
AND HAPPY NEW YEAR!**

May we all reflect on lots of memories, challenges and victories in 2017, what happened, what didn't, and what we are hopeful for as we work together for the future of Daffodil #2308.

As we came together in December to celebrate the 79th Anniversary of the Ladies Auxiliary here in Puyallup, the many dedicated Sisters who continually gave their all to promote and build upon the meaning of what we stand for — Home, Country and God — I also saw new Sisters being initiated who want to learn what we bring to their lives.

Make it your goal to volunteer!

Continued From Page 1

We really need to encourage our new Sisters and our present Sisters to be willing to volunteer their individual talents and their time to ensure that we continue the standard of what those before us brought to our Sisterhood. It is my hope that in 2018 we can develop a way to bring back a feeling of volunteerism for any and all activities, events and daily happenings at our Aerie. That is what and how we keep our Sisterhood alive and thriving! It takes many hands and ideas working together in harmony to get these tasks done.

I am putting my personal contact information out to any of you Sisters who want to help out, offer your expertise, have advice on how we can improve, and what you would like to see changed

Texas Hold'em *Jason Clapper wins last big game in this building*

Sadness, Joy and Love was brought to the Tournament of Champions for our last big game in this building. We are sad to be leaving our present domain, but the saddest part was the passing of one of our players. Cheryl Miller left us after a tough battle with cancer. Blessings to her husband Austin.

Love was that 82 players tried to win a little extra cash for the holidays and nine of them did just that.

Joy was the fun and sportsmanship that all the players displayed. We are so happy to be a part of such a wonderful group of people.

Here are the players who took home the money: First, Jason Clapper; second, Milan Stipetic; third, Glen Dunbar; fourth, James Gilbertson; fifth, Patti Brush; sixth, Kenny Olsen II; seventh, Gordon Lyons; eighth, Thomas Kitchen; and ninth, James Gee. Congratulations and thanks for your gratuities for the volunteers who love being here for all of you players.

Happy New Year and see you at the first 2018 game on Sunday, January 14. The game starts at 12 noon.

as we move forward.

It is encouraging to me to see new Sisters wanting to become a part of our Auxiliary, and we need to ensure that they are welcomed and recognized as we build upon our future. Let's make an effort to meet and get to know the new Sisters, and continue to support the Sisters who daily, weekly and monthly support our common cause.

January's goal: Please ask to be a Volunteer Sister! Contact me at:

Changes on the horizon for 2018

With the New Year beginning so begins a lot of challenges for all of us members of Eagles #2308. In the coming months we will be making some changes as we try to get ourselves back on track.

KITCHEN & SOCIAL ROOM

The first order of business is the Kitchen and Social Room have been split as far as personnel managing them, hoping to allow more focus on those areas for improvement. We will be having a new menu come out with some new additions and deletions as well. Daily food and drink specials will be a part of the new menu and the Friday and Saturday menus also will be changing to a more traditional menu with less offerings, but a more consistent dining schedule.

AERIE RELOCATION

On the relocation side of the house, we are still in negotiations with Sound Transit and a July 19, 2018 hearing date should a settlement not be reached prior to. The committee has made an offer on a piece of

property in the valley and is in the middle of having a feasibility study done to see if this location and structure will work for us in the future. The preliminary drawings are now on the Sound Transit board located in the main hallway.

We would appreciate any suggestions or constructive criticism throughout the changes that need to happen moving forward.

DON'T BLAME OUR STAFF

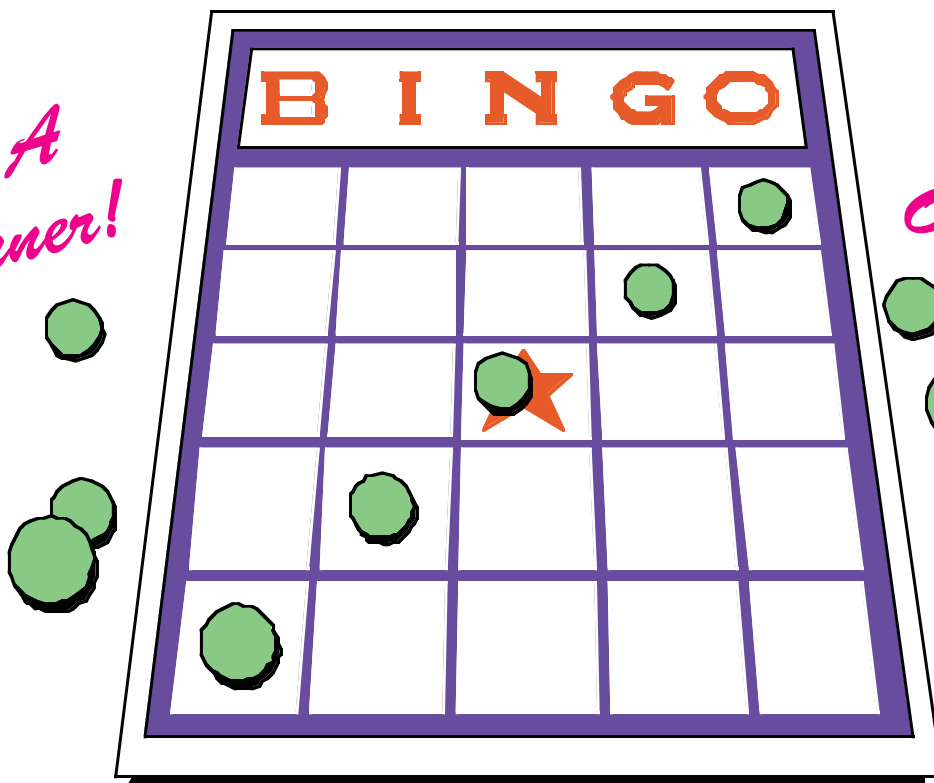

Please do not get upset with staff members should a change rub you the wrong way. Put a note in the suggestion box or come to the Trustees Meetings on Wednesdays at 5 p.m.
