MIDDLETOWN COMMUNITY FOUNDATION

For all of the good and noble being done through your generosity, thank you to the following:

These Family Funds Make All the Difference!

We all know that we can choose to donate during our lifetimes. But even though we cannot prevent or continue to give well into the future. Your favorite charities can continue to benefit by your generosity, particularly through your Will. You have already given the gift of your time, talent, and treasure to your favorite charities. You may also want to consider a gift to the Middletown Community Foundation (MCF) in your Will.

Donors Funded Cont.

A donor advised fund offers maximum flexibility. At the Middletown Community Foundation (MCF), the minimum is to start the fund with $10,000 and donors can add to the fund and make grant recommendations from the fund at any time. Through a donor advised fund, the donor maintains the ability to give to an organization of their choosing, whether local, regional or national charitable organizations of their choice. The Foundation handles all administrative duties for the donor and serves as a knowledgeable resource for information about community needs and charitable organizations.

Gifts in wills can give substantial tax benefits, such as avoiding capital gains. This means more of your assets can go toward supporting their favorite charities. As an example, with a Donor Advised Fund, the fund is also a family project and one that can be passed from generation to generation.

In each of these distributions, a donor can give appreciated securities, such as stocks, and avoid capital gains tax. This means more of your assets can go toward supporting their favorite charities. As an example, with a Donor Advised Fund, the fund is also a family project and one that can be passed from generation to generation.

We would like to thank the following organizations for their support:

Thank you for your compliance with our policies and procedures.

Playground Prepares for Preschool. PreK Prepares for Kindergarten.

In the Community Center, started almost 40 years ago, the playground has been an important part of the center. Children have enjoyed climbing, swinging, and playing on the equipment, which is now quite old and in need of replacement. The playground equipment is important for children’s development.

"The Parent Resource Center helps our families that have small children and need support in finding food, clothing, and housing. We are so grateful for their support and help every day. Our goal is to help others when they need it most. Thank you to everyone who contributes to this fund!"

Thank you for your compliance with our policies and procedures.
