

RagingFX® is algorithmic trading platform that generates timely signals from the 12 major FX currency pairs. Signals are triggered based upon a blend of predictive analysis, optimization modeling, and market sentiment. The algorithm is both asset and trading strategy agnostic, which makes it adaptable to a variety of trading requirements. Currently it is being tested with a recently launched online signal service at RagingFX.com.

Performance (%) – May 2017 to Mar 2019
