

The Vair Fax

From the Editor

Hello everyone

I got my vair out, drove it to the meeting last month. Noticed the gas gauge wasn't working, but thought I had plenty of gas. Turns out I was wrong. Ran out 4 blocks before the restaurant and had to walk to a station then buy a can and gas. But I made it to the meeting only a few minutes late. LOL. I hope to get that fixed soon. I hope everyone is well and has avoided the virus so far. I also hope to see everyone soon.

Plans for the picnic at Clay's for our April meeting have been cancelled.

The April meeting in Warner Robins is cancelled. Reservations at Olde Time Country Buffet for May are tentative right now. Depends on circumstances around that time. Details will be in Newsletter when we know.

From the Pres.....

Hello, everyone, and welcome to the April "shelter in place" edition of the 'Vair Fax. I hope you all are doing well, and have plenty of hand sanitizer and toilet paper. I can understand the run on sanitizer, Lysol spray, and disinfectant wipes, but toilet paper? Must be something I don't know.

But in all seriousness, this coronavirus thing is something we all need to be concerned about. I hope everyone is heeding all of the warnings, and doing all you can to protect yourselves, and prevent the spread of the virus.

If you haven't already heard, due to the pandemic, the 2020 CORSA Convention in San Diego, has been moved to 2021, which means our hosting of the convention in Peachtree City will now be in 2022.

I got my '63 coupe back from Clay Grant's shop, and the old girl is running very well. Its hard to believe sometimes that I have had that car for 35 years. Bought it in 1985, from a barber in Warner Robins, for the price of 600.00. Its on its 3rd paint job, and could really stand another one. A little rust popping up here and there, but for now, I am just going to drive it and enjoy it as is. I need to put the rest of the interior back in, right now the only thing in it is the drivers seat !

For the moment, whether or not we will have a May meeting is undecided. I guess we will have to wait and see what is going on with the shelter in place order, and see if the restaurant has opened back up yet.

Until then, everyone please take care of yourselves and your loved ones. Hopefully we will be able to get together soon.

Keep them 'Vairs going,
and do something nice for someone!
Chuck
