WHEREAS, Article I, Section 6, provides:

WHEREAS, Article II, Section 1, provides:

ARTICLE II

Reservations, Exceptions and Dedications

Section 1. Recorded subdivision maps of the Properties. deed or conveyance executed or to be executed by or on behalf of Declarant, conveying said property or any part thereof, whether specifically referred to therein or not; and

WHEREAS, Article III, Section 10, provides:

Section 10. Animal husbandry. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other common household pets may be kept, provided that they are not kept, bred or maintained for commercial purposes. No more than two of each type of pet will be permitted on each Lot. If common household pets are kept, they must be confined to a fenced backyard (such fence shall encompass the entire backyard) or within the house. When away from Lot, pet must be on a leash at all times. It is the pet owner's responsibility to keep the Lot clean and free of pet debris; and

WHEREAS, Article III, Section 13, provides:

Section 13. Lot maintenance. The Owners or occupants of all Lots shall at all times keep all weeds and grass thereof cut in a sanitary, healthful and attractive manner, edge curbs that run along the property lines, and shall in no event use any Lot for storage of materials and equipment except for normal residential requirements or incident to construction of improvements thereon as herein permitted. The drying of clothes in full public view is prohibited and the owners or occupants of any Lots at the intersection of streets or adjacent to parks, playgrounds or other facilities where the rear yard or portion of the Lot is visible to public view shall construct and maintain a drying yard or other suitable enclosure to screen the following from public view: the drying of clothes, yard equipment, or storage piles, which are incident to the normal residential requirements of a typical family. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste materials shall not be kept except in sanitary containers constructed of metal, plastic or masonry materials with sanitary covers or lids. Containers for the storage of trash, garbage and other waste materials must be stored out of

public view. Equipment for storage or disposal of such waste materials shall be kept in a clean and sanitary condition and shall be stored out of public view. New building materials used in the construction of improvements erected upon any Lot may be placed upon such Lot at the time construction is commenced and may be maintained thereon for a reasonable time, so long as the construction progresses without undue delay, until the completion of the improvements, after which these materials shall either be removed from the Lot or stored in a suitable enclosure on the Lot.

In the event of default on the part of the Owner or Owners of any Lot in observing the above requirements or any of them, such default continuing after the Association has served ten (10) days written notice thereof, then the Association, by and through its duly authorized agent may, without liability to the Owner or Occupant in trespass or otherwise, enter upon said Lot and cut the weeds and grass, edge the lawn around the curb, cause to be removed garbage, trash and rubbish or do any other thing necessary to secure compliance with these restrictions so as to place said Lot in a neat, attractive, healthful and sanitary condition. The Association may charge the Owner or Occupant of such Lot for the cost of such work. The Owner or Occupant, as the case may be, agrees by the purchase or occupancy of the property to pay for such work immediately upon receipt of a statement thereof. In the event of failure by the Owner or Occupant to pay such statement within fifteen (15) days from the date mailed, the amount thereof may be added to the annual maintenance charge provided for herein and such additional maintenance charge shall be governed by Article VII of these Restrictions; and

WHEREAS, Article III, Section 15, provides:

Section 15. Maximum height of antenna. No radio or television aerial wires or antenna shall be maintained on any portion of any Lot that is visible from the front side of said Lot; nor shall any antenna of any style be permitted to extend above the roof line of the main residential structure on said

Lot, nor be located behind the back building line of said Lot. No antenna or wires shall be visible from the street which runs in front of said Lot; and

WHEREAS, Article IV, Section 1, provides:

ARTICLE IV

Architectural Control Committee

Section 1. Approval of building plans. No building, fence, wall or other structure shall be commenced, erected, placed, or altered on any Lot, nor shall any exterior addition to or change or alteration therein be made until the construction plans and specifications describing the nature, kind, shape, height, materials and a plot plan showing the location of same, have been approved in writing as to harmony of exterior design and color with existing structures, as to location with respect to topography and finished ground elevation, and as to compliance with minimum construction standards by the Architectural Control Committee of TARA, SECTION IV, subdivision. A copy of the construction plans and specifications and a plot plan, together with such information as may be deemed pertinent, shall be submitted to the Architectural Control Committee, or its designated representative prior to commencement of construction. The Architectural Control Committee may require the submission of such plans, specifications, and plot plans, together with such other documents as it deems appropriate, in such form and detail as it may elect at its entire discretion. The Architectural Control Committee shall have full and complete authority to approve construction of any improvement on any Lot, and its judgment shall be final and conclusive.

WHEREAS, Article IV, Section 2, provides:

Section 2. Committee Membership. The Architectural Control Committee members shall be initially composed of Kenneth Belanger, Terese Buess, and Nancy Kelsey, who by majority vote may designate a representative to act for them. At any time, the then record owners of a majority of the Lots shall have the power through a duly recorded instrument to change the membership of the committee or to withdraw from the committee or restore to it

any of its powers and duties. The address of the committee is 7322 Southwest Freeway, Suite 1600, Houston, Texas 77074.

WHEREAS, Article VI, Section 3, provides:

Section 3. Rate of assessment. The maintenance charge on Class B Lots shall be a minimum of 50% of the assessment for Class A Lots per month and shall begin to accrue on a monthly basis on each such Lot on the date these Covenants, Conditions and Restrictions are recorded. The entire accrued charge (of said rate stated above per month) on each Lot shall become due and payable on the date such Lot converts from a Class B to a Class A Lot by reason of the Owner's purchase of a residence thereon. For the first year of ownership or any fraction thereof, the assessment shall be the number of months the Lot has been occupied by a homeowner times the monthly assessment rate payable on January 1, for the preceding first year or fraction of the first year. After the first year, the maintenance charge will be collected annually in the amount of the annual assessment; payable on January 1, of the specific year for the preceding year. The rate at which each Lot will be assessed will be determined annually, and may be adjusted from year to year by the Board of Directors of the Association as the needs of the subdivision may, in the judgment of the Board of Directors of the Association, require; provided that such assessment will be uniform and in no event will such assessment or charge exceed \$20.00 per Lot per month, or \$240.00 per Lot per year, unless increased as provided below. The Association can collect special assessments as well as annual charges above described whenever the members so vote; and

WHEREAS, Article VI, Section 8, provides:

Section 8. Additions to Existing Property. Additional lands may become subject to the scheme of this Declaration in the following manner:

(a) Additions by Declarant. The Declarant, its successors and assigns, shall have the right to bring within the scheme of Tara Homeowners' Association any additional residential properties in future stages of the development of Tara, upon

OFFICIAL RECORDS

approval of the Board of Directors of the Association, with consent of two-thirds of each class of membership or FHA/VA approval. Any additions authorized under this and the succeeding subsections, shall be made by filing of record a Declaration of Covenants and Restrictions and Annexation Agreement with respect to the additional property or properties which shall extend the scheme of the covenants and restrictions of this Declaration to such property and the execution thereof by the President of the Board of Directors. Such Declaration must impose an annual maintenance charge assessment on the property covered thereby, on a uniform, per Lot basis, substantially equivalent to the maintenance charge and assessment imposed by this Declaration, and may contain such complementary additions and/or modifications of the covenants and restrictions contained in this Declaration as may be applicable to the additional lands.

(b) Other Additions. Upon the approval of the Board of Directors of the Association, in its sole discretion, the owner of any property who desires to add it to the scheme of this Declaration and to subject it to the jurisdiction of the Association may file of record an Annexation Agreement and Declaration of Covenants and Restrictions upon the satisfaction of the conditions specified in subsection (a) above.

(c) Mergers. Upon a merger or consolidation of the Association with another association, the Association's properties, rights, and obligations may be transferred to another surviving or consolidated association or, alternatively, the properties, rights, and obligations of another association may be added to the properties, rights, and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association shall administer the covenants and restrictions established by this Declaration and all Supplemental Declarations, together with the covenants and restrictions applicable to the properties of the other association as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the

covenants established by this Declaration or any Supplemental Declaration; and

WHEREAS, Article VII, Section 1, provides:

ARTICLE VII

General Provisions

Section 1. Term. These covenants shall run with the land and shall be binding upon all parties and all persons claiming under them for a period of forty (40) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years each, unless an instrument signed by a majority of the then owners of the Lots has been recorded agreeing to change or terminate said covenants in whole or in part. The terms and provisions of these restrictions may be amended at any time when an instrument setting forth said changes and signed by those persons holding a majority of votes in the Association is placed on record in the real property records of Fort Bend County, Texas. Upon any violation or attempt to violate any of the covenants herein, it shall be lawful for the Association or any other lot owner to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from doing so or to recover damages or other dues for such violations. Failure by any Owner to enforce any covenant or restriction herein shall in no event be deemed a waiver of the right to do so thereafter; and

WHEREAS, the Declarant desires to add to and supplement the existing restrictions as described below.

NOW, THEREFORE, pursuant to the above recitals, General Homes Corporation, a Texas corporation, hereby amends Article I, Section 6; Article II, Section 1; Article III, Sections 10, 13 and 15; Article IV, Sections 1 and 2; Article VI, Sections 3 and 8; and Article VII, Section 1; and adds to and supplements the existing restrictions by adopting Section 4 of Article II; Section 16 of Article III; and Section 9 of Article VI; and adopts, establishes and imposes upon all the lots described above

OFFICIAL RECORDS

and declares the following reservations, restrictions, covenants and conditions applicable thereto, all of which are for the purpose of enhancing and protecting the value, desirability and attractiveness of the land, which reservations shall run with the land shall be binding upon all parties having or acquiring any right, title or interest therein, or any part thereof, and shall inure to the benefit of each owner thereof, and which shall supersede and be controlling over any previously executed and recorded restrictions, covenants and conditions:

ARTICLE I

Section 6. "Declarant" shall mean and refer to General Homes Corporation, a Texas Corporation and its successors and assigns if such successors and assigns should acquire more than one undeveloped Lot from the Declarant for the purpose of development or are so designated in writing by Declarant as the successors and assigns of all Declarant's rights hereunder.

ARTICLE II

Reservations, Exceptions and Dedications

Section 1. Recorded subdivision maps of the Properties. The recorded subdivision maps of the Properties dedicate for use as such, subject to the limitations as set forth therein, the streets and easements shown thereon, and such recorded subdivision maps of the Properties further establish certain restrictions applicable to the Properties including without limitation certain minimum setback lines, and all dedications, limitations, restrictions and reservations shown on the recorded plats or replats of the subdivision are incorporated herein and made a part hereof as if fully set forth herein, and shall be construed as being adopted in each and every contract, deed or conveyance executed or to be executed by or on behalf of Declarant, conveying said property or any part thereof, whether specifically referred to therein or not.

Declarant shall have the right, but shall never be obligated, to resubdivide into Lots, by recorded plat or in any other lawful manner, all or any part of the property contained within the outer boundaries of the Subdivision Plat and such Lots

OFFICIAL RECORDS

1443 393

as replatted shall be subject to these restrictions as if such Lots were originally included herein. Any such replat must comply with all local, state, FHA and VA replatting ordinances, statutes, regulations and requirements.

Section 4. Reservation of Right to Contract and Power-of-Attorney. Declarant hereby reserves the right to hereafter enter into non-exclusive franchise agreement(s) with one or more cable television companies, together with the right to obtain and retain all income, revenue and other things of value paid or to be paid by such cable television companies to Declarant pursuant to any such agreement(s) between Declarant and such cable television companies.

Declarant hereby makes, constitutes and appoints Tara Homeowners' Association, a Texas non-profit corporation, its true and lawful attorney for it, and in its name, place and stead, to negotiate, contract and execute non-exclusive agreements for cable television services with cable television providers for a price and under terms and conditions which, in the sole judgment of the Tara Homeowners' Association, are deemed by Tara Homeowners' Association to be in the best interest of the homeowners who now or in the future reside in the Subdivision; provided, however, any such non-exclusive agreement shall always provide that the cable television provider shall place all cable, equipment, lines or any other materials used by said provider in underground conduits.

Giving and granting unto said Attorney full power and authority to do and perform every act necessary and proper to be done in the exercise of the foregoing special power as fully as Declarant might or could do, hereby ratifying and confirming all that its said attorney shall lawfully do or cause to be done by virtue hereof.

For value received, receipt of which is hereby acknowledged, Declarant does hereby grant said attorney-in-fact the right to contract for, collect, obtain, retain and use for its own benefit all income, revenue and other things of value paid or to be paid by any cable television provider which Tara

Homeowners' Association contracts with for cable television services within the subdivision. Declarant herein releases all rights to contract for, collect, obtain, retain and use for its own benefit all income, revenue and other things of value paid or to be paid by any cable television provider which Tara Homeowners' Association contracts with for cable television services within the subdivision, and by such grant, Declarant intends that this Power of Attorney be coupled with an interest, and Declarant does hereby make and declare this Power of Attorney to be irrevocable by it, its successors or assigns, renouncing all right to revoke this power or to appoint any other person or entity to perform any of the acts enumerated herein.

ARTICLE III

Section 10. Animal husbandry. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other common household pets may be kept, provided that they are not kept, bred or maintained for commercial purposes. No more than two (2) of each specie of pet will be permitted on each Lot. If common household pets are kept, they must be confined to a fenced backyard (such fence shall encompass the entire backyard) or within the house. When away from Lot, pet must be on a leash at all times. It is the pet owner's responsibility to keep the Lot clean and free of pet debris.

Section 13. Lot maintenance. The Owners or occupants of all Lots shall at all times keep all weeds and grass thereof cut in a sanitary, healthful and attractive manner, edge curbs that run along the property lines, and shall in no event use any Lot for storage of materials and equipment except for normal residential requirements as incident to construction of improvements thereon as herein permitted. All fences, if any, which have been erected on any Lot by Declarant or otherwise shall be maintained in good repair by Owner, and Owner shall promptly repair or replace the same in the event of partial or total destruction. The drying of clothes in full public view is prohibited and the owners or occupants of any Lots at the

OFFICIAL RECORDS
1443 395

intersection of streets or adjacent to parks, playgrounds or other facilities where the rear yard or portion of the Lot is visible to public view shall construct and maintain a drying yard or other suitable enclosure to screen the following from public view: the drying of clothes, yard equipment, or storage piles, which are incident to the normal residential requirements of a typical family. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste materials shall not be kept except in sanitary containers constructed of metal, plastic or masonry materials with sanitary covers or lids. Containers for the storage of trash, garbage and other waste materials must be stored out of public view. Equipment for storage or disposal of such waste materials shall be kept in a clean and sanitary condition and shall be stored out of public view. New building materials used in the construction of improvements erected upon any Lot may be placed upon such Lot at the time construction is commenced and may be maintained thereon for a reasonable time, so long as the construction progresses without undue delay, until the completion of the improvements, after which these materials shall either be removed from the Lot or stored in a suitable enclosure on the Lot.

In the event of violation by the Owner or occupant of any Lot of any covenant, condition or restriction imposed upon the Owner or Lot in this Article III and the continuance of such violation after ten (10) days written notice thereof, or in the event the Owner or occupant has not proceeded with due diligence to complete the appropriate repairs and maintenance after such notice, the Association shall have the right (but not the obligation), through its agents or employees, to repair, maintain or restore the Lot, the exterior of the residence, the fence and any other improvement located thereon. To the extent necessary to prevent rat infestation, diminish fire hazards and accomplish any of the above needed repairs, maintenance and/or restoration, the Association shall have the right, through its agents and employees, to enter any residence or improvements located upon such Lot. The Association may enter onto any Lot and/or

improvement and cut the weeds and grass, edge the lawn around the curb, cause to be removed garbage, trash and rubbish or do any other thing necessary to secure compliance with these restrictions. The Association may render a statement of charge to the Owner or occupant of such Lot for the cost of such work. The Owner and occupant agree by the purchase and occupation of the Lot to pay such statement immediately upon receipt. The cost of such work, plus interest thereon at the maximum rate permitted under the laws of the State of Texas shall become a part of the assessment payable by said Owners and payment thereof shall be secured by the maintenance lien hereinafter retained. The Association, its agents and employees shall not be liable, and are hereby expressly relieved from any liability, for trespass or other tort in connection with the performance of the exterior maintenance and other work authorized herein.

Section 15. Maximum height of antenna. No radio or television aerial wires, radio or television antenna, or satellite dishes of any kind shall be maintained on any portion of any Lot that is visible from the front side of said Lot; nor shall any antenna of any style, to include satellite dishes, be permitted to extend above the roof line of the main residential structure on said Lot, nor be located behind the back building line of said Lot. No antenna of any style, including satellite dishes, or antenna wires shall be visible from the street which runs in front of said Lot or the street which runs on the side of any corner Lot.

Section 16. Private Utility Lines. All electrical, telephone, and other utility lines and facilities which are located on a Lot and are not owned by a governmental entity or a public utility company shall be installed in underground conduits unless otherwise approved in writing by the Architectural Control Committee.

ARTICLE IV

Architectural Control Committee

Section 1. Approval of building plans. No building, fence, wall or other structure shall be commenced, erected,

placed, or altered on any Lot, nor shall any exterior addition to or change or alteration therein be made until the construction plans and specifications describing the nature, kind, shape, height, materials and a plot plan showing the location of same, have been approved in writing as to harmony of exterior design and color with existing structures, as to location with respect to topography and finished ground elevation, and as to compliance with minimum construction standards by the Architectural Control Committee of TARA, SECTION IV, subdivision. A copy of the construction plans and specifications and a plot plan, together with such information as may be deemed pertinent, shall be submitted to the Architectural Control Committee, or its designated representative prior to commencement of construction. The Architectural Control Committee may require the submission of such plans, specifications, and plot plans, together with such other documents as it deems appropriate, in such form and detail as it may elect at its entire discretion. The Architectural Control Committee shall have full and complete authority to approve construction of any improvement on any Lot, and its judgment shall be final and conclusive. The approval or lack of approval by the Architectural Control Committee shall not be deemed to constitute any warranty or representation by such Committee including, without limitation, any warranty or representation to fitness, design or adequacy of the proposed construction or compliance with applicable statutes, codes and regulations.

Section 2. Committee Membership. The Architectural Control Committee members shall be initially composed of Kenneth Belanger, Terese Buess, and Nancy Dawson, who by majority vote may designate a representative to act for them. Declarant hereby retains its rights to assign the duties, powers and responsibilities of the Architectural Control Committee to the Tara Homeowners' Association when one hundred percent (100%) of all lots and all subsequent sections of Tara are occupied by residents, and the term "Architectural Control Committee" herein shall include the Association, as such assignee. At any time,

the then record owners of a majority of the Lots shall have the power through a duly recorded instrument to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties. The address of the committee is 7322 Southwest Freeway, Suite 1820, Houston, Texas 77074.

ARTICLE VI

Section 3. Rate of assessment. The maintenance charge on Class B Lots and Builder owned Lots shall be a minimum of 50% of the assessment for Class A Lots per month and shall begin to accrue on a monthly basis on each such Lot on the date these Covenants, Conditions and Restrictions are recorded. The entire accrued charge (of said rate stated above per month) on each Lot shall become due and payable on the date such Lot converts from a Class B to a Class A Lot by reason of the Owner's purchase of a residence thereon. For the first year of ownership or any fraction thereof, the assessment shall be the number of months the Lot has been occupied by a homeowner times the monthly assessment rate payable on January 1, for the preceding first year or fraction of the first year. After the first year, the maintenance charge will be collected annually in the amount of the annual assessment; payable on January 1, of the specific year for the preceding year. The rate at which each Lot will be assessed will be determined annually, and may be adjusted from year to year by the Board of Directors of the Association as the needs of the subdivision may, in the judgment of the Board of Directors of the Association, require; provided that such assessment will be uniform and in no event will such assessment or charge exceed \$20.00 per Lot per month, or \$240.00 per Lot per year, unless increased as provided below. The Association can collect special assessments as well as annual charges above described whenever the members so vote.

Section 8. Additions to Existing Property. Additional lands may become subject to the scheme of this Declaration in the following manner:

(a) Additions by Declarant. Additional land contiguous to the area described on Slide 642A and 642B, in the

Map Records of Fort Bend County, may be annexed by the Declarant without the consent of members within ten (10) years of the date of this instrument provided that the FHA and VA determine that the annexation is in accord with the general plan heretofore approved by them. The Declarant, its successors and assigns, shall have the right to bring within the scheme of Tara Homeowners' Association any additional residential properties in future stages of the development of Tara, Section IV, upon approval of the Board of Directors of the Association, with consent of two-thirds of each class of membership or FHA/VA approval. Any additions authorized under this and the succeeding subsections, shall be made by filing of record a Declaration of Covenants and Restrictions and Annexation Agreement with respect to the additional property or properties which shall extend the scheme of the covenants and restrictions of this Declaration to such property. Such Declaration must impose an annual maintenance charge assessment on the property covered thereby, on a uniform, per Lot basis, substantially equivalent to the maintenance charge and assessment imposed by this Declaration, and may contain such complementary additions and/or modifications of the covenants and restrictions contained in this Declaration as may be applicable to the additional lands.

(b) Other Additions. Upon the approval of the Board of Directors of the Association, in its sole discretion, the owner of any property who desires to add it to the scheme of this Declaration and to subject it to the jurisdiction of the Association may file of record an Annexation Agreement and Declaration of Covenants and Restrictions upon the satisfaction of the conditions specified in subsection (a) above.

(c) Mergers. Upon a merger or consolidation of the Association with another association, the Association's properties, rights, and obligations may be transferred to another surviving or consolidated association or, alternatively, the properties, rights, and obligations of another association may be added to the properties, rights, and obligations of the Association as a surviving corporation pursuant to a merger. The

OFFICIAL RECORDS

surviving or consolidated association shall administer the covenants and restrictions established by this Declaration and all Supplemental Declarations, together with the covenants and restrictions applicable to the properties of the other association as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the covenants established by this Declaration or any Supplemental Declaration.

Section 9. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

ARTICLE VII

General Provisions

Section 1. Term. These covenants shall run with the land and shall be binding upon all parties and all persons claiming under them for a period of forty (40) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years each, unless an instrument signed by a majority of the then owners of the Lots has been recorded agreeing to change or terminate said covenants in whole or in part. The terms and provisions of these restrictions may be amended at any time when an instrument setting forth said changes and signed by those persons holding a majority of votes in the Association is placed on record in the real property records of Fort Bend County, Texas. Upon any violation or attempt to violate any of the covenants herein, it shall be lawful for the Association or any other lot owner to prosecute any proceedings at law or in equity against the person or persons violating or attempting to

violate any such covenant and either to prevent him or them from doing so or to recover damages or other dues for such violations. The Association or Lot Owner who successfully prosecutes an action in law or in equity shall be entitled to recover from the defendant any and all costs, fees and expenses, including attorney's fees, incurred by the Association and/or Lot Owner in compelling compliance with these Restrictions. Failure by any Owner to enforce any covenant or restriction herein shall in no event be deemed a waiver of the right to do so thereafter.

Capital Bank, N. A. with its business domicile located in Houston, Harris County, Texas, Lienholder of the above described property joins in the execution hereof to evidence its consent hereto, and hereby subordinates its liens to the reservations, easements, covenants, restrictions, charges and conditions hereof.
