

# More of Our Team

## **Brendon (Buddy) Hisler, Project Manager / Construction Manager**

Buddy has more than 20 years of experience in the oil and gas energy sector. He has spent a majority of that time in contract roles with major operators, as well as with contractors working for major oil and gas clients. He serves equally well as a construction manager or project manager, in addition to having significant arctic experience.

## **Scott Middlestadt, Construction Manager**

Scott has more than 30 years of experience in the oil and gas energy sector. He spent a majority of his career with Alyeska pipeline, serving in a construction management role. He also has project management experience.

## **Ryan Blood, Safety Specialist**

Ryan has more than 15 years of experience in the oil and gas energy sector and additional experience in other industry. He has arctic and west coast experience. Ryan holds degrees in Safety Management as well as an MBA.

## **DeAnna (Dee) Binder, Health Professional / Procedure Writing**

Dee has more than 25 years of experience in various medical fields including, emergency room nursing, paramedic and orthopedic surgeon staff nursing. She has been a Red Cross volunteer for more than 10 years, serving at a management level in mass care planning, procedure writing and execution. She possesses ICS and FEMA training. In addition, she has residential construction experience.
