

Democratic Voter Engagement

Contact Script

Hello, my name is _____. I am your neighbor. I live on _____ St., Rd. etc. I am involved in the Democratic Voter Engagement project that has two main goals: Register and educate new voters, and inspire current voters to vote. We are volunteers on a mission to improve civic engagement in Kern County through voter participation. I am visiting (calling) you today to see if you would like to participate in the project.
(pause to let them respond)

Additional things you can say.

Participation can be as simple as signing up for our contact list or you can become a Neighborhood Captain and help your neighbors, friends and family participate in the Democratic process.

We are also looking for people who need to register to vote. Do you know of someone who will be 18 years old within the next year?

IF YES: Thank you! (Have them fill out the Contact Card and return it to us)

IF UNDECIDED: Think about it and contact me if you have questions or need additional information. You can visit kerndems.org and click on the Voter Engagement link.

IF NO: Thank You
