TO LOVE GOD...

Rehoboth Fellowship of Atlanta is called to teach the gospel of liberation demonstrated in the life and message of **Jesus Christ making room for all** who seek safety, solace, and spiritual maturity.

FOR IMMEDIATE RELEASE

These are some of the bills we talked about in our meeting with several legislators. Please review the bill number, the committee it is in and what the bill hopes to do.

A call list is included in this review. Call legislators based on the bill number and committee it is in. The Government Affairs committee has three bills that we want to address. The Industry and Labor committee has just one bill. Call legislators in the committee that the bill is in. You can speak about three bills at the same time to each legislator or their assistant that you call.

Do the very best that you can and see God at work.

BILL	COMMITTEE	ISSUE THE BILL ADDRESSES
HB 22	Government Affairs	We want to ask that this bill Gets out of committee for a Vote on the floor. This bill allows voters to vote at any polling place in the county that they live in. This would make voting easier for all.
HB 640	Government Affairs	This bill states that the President and Vice Presidential candidates must submit financial disclosures before they can get on Georgia's ballot for election.
HB 650	Government Affairs	We want to push for a hearing of this bill. This bill allows each county to decide what statues they want to keep or remove from government property.
HB 184	Industry and Labor	This bill is called the Pregnant Women's Fair Act. It protects The rights of pregnant women on The job. We want this bill to pass Industry and Labor Committee.

Attach to this information about the bills are the committee members that we need to call. We need to voice our concerns about these bills. You will probably not reach the legislator but ask if you can leave him or her a message. When calling ask for the representative's assist so you can leave a message. Do not indicate that you are with Rehoboth. Simply state that you are a concerned citizen and want the bill to pass. If asked who told you about the bill tell them that you heard about it at a meeting that you attended with several legislators at the State Capital. Please follow this protocol. Our calls will be more effective.

The calls need to be made this week or early next week. Call as many as you can. The offices are closed on the week-end.

Especially call the chair of the committees. The names and telephone numbers are below. Make at least 5 calls or more calls.

Thank you for your interest and participation. If you have any questions, please contact our social justice ministry. socialjustice@makerroom4me.com.
