

Wyoming State Muzzleloader Association's News

July, 2019

Summer at last, has arrived. It was definitely slow getting here. Many local and state shoots have taken place and many more are to come. If your local club has any shoot results, or pictures that you would like to have put in the newsletter or if you have a flyer please send it my way, at WsmlaNews@gmail.com.

Look in this newsletter for past shoot results, pictures, and upcoming shoot flyers, a letter from our President who is just probably just arriving home from Alaska.

I hope all of you have drawn those big game tags you have been dreaming of. And good luck to you all. I hope you have as great of luck as I had getting my bighorn sheep last year.

If you have taken some great pictures this summer, plan on entering them in the photo contest in January at convention.

So, until the next newsletter:

Happy Shooting.

Hello,

By the time you are reading this it is probably midsummer. The 1838 is going on at the beginning of July. Sierra Madre Rendezvous will be July 26, 27, & 28. Big Horn Basin will be having a one day shoot at the beginning of August. Big Horn Muzzleloaders' Bench shoot is Aug 24 and 25 at Heart Mountain Shooting Range.

I missed Riverton because of my Father-in-Law passing away. I guess they had a good turnout. Sorry I missed this shoot. At least they didn't have a river running through the target range.

Glenrock put on a good shoot. Good weather, a little rain, but not much wind. They didn't have a good turn out as far as shooters go so it is hard to pay the bills with so little participation.

Hopefully there will be better participation at the remaining shoots.

Good luck and hopefully you will support the clubs.

Gary

Worland Shot Gun Shoot

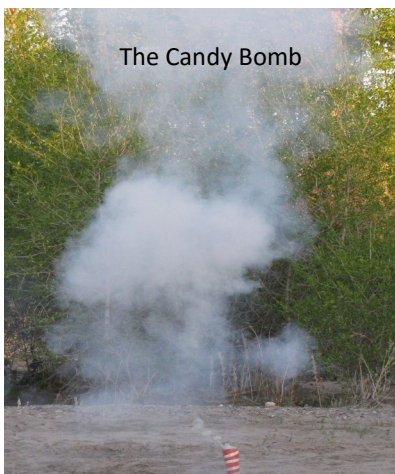

The Worland Shotgun Shoot was held in April. There was a nice turnout for the shoot and beautiful weather for the first half of the weekend, and then on Sunday it got down right cold. The cold did not stop the shooters as they continued on to shoot targets, and clays. There were three new people to attend the shoot, and two of those people have never shot black powder shot guns before. For next year, Frank Elzay, and Bill Morrison hope to have more people attend.

Wind River Muzzleloaders Memorial Day State Shoot

This year the Wind River Muzzleloaders hosted the state shoot. Thank you. This shoot was a four day event over Memorial Day Weekend. Not a bad turnout. Saturday evening there was an evening meal, and everyone who stayed enjoyed the evening. On Sunday, the range was open from 8 to 4, and afterwards Tailgunner, and Toad put on a great mountain man run. A lot of the participants like me, found out we need to study our history. A lot of questions many could not answer. But it was fun anyway. Thanks Tailgunner, and Toad. The kid's even had a candy bomb that they enjoyed. Hope to see a lot more of you next year to support the Wind River Muzzleloaders.

Deer Creek Muzzleloaders Father's Two Day Shoot

The Father's Day two day shoot was a nice and easy shoot, as there were only 20 shooters who signed up to shoot. Other than a little rain in the evenings, it was a beautiful weekend for weather. A few members that we haven't seen in awhile showed up to spend the weekend, like Bruce and Teri Schwindt. So nice to see everyone that made it from out of town. Many thoughts and prayers were with the Miller family from Deer Creek Muzzleloaders. As many of you know, Jim Miller, had a severe infection, and he found out he had cancer. The doctor seems to think all cancer was removed but he faces the worst part of cancer on the road ahead, which is chemo and radiation. Best of luck Jim, and hope you get to feeling better soon. And good luck to you Trish, for the countless hours of helping Jim that are ahead of you. Delbert Lesser and his wife, and Phil Nissen, have also had health ups and downs recently and I hope all of you get back on your feet and get to feeling better soon. The range is waiting for all of you.

The ladies salute is a favorite among the ladies. This year the ladies saluted Trish Miller, who was unable to attend. Nice shooting ladies.

CONGRATS
THANKS FOR SUPPORTING WSMLA

Crystal Gillen with the Sierra Madre Muzzleloaders sent some great photos over to be put in the newsletter. These photos are of the fourth of July Parade they had. They also had mountain man salute, in which Les Daniels, Joe Morrison, and Dave Weir did the honors. Crystal also reports that they are frantically getting ready for their 39th annual Mountain Man Rendezvous in Encampment. Thanks Crystal for the pictures.

In other News:

Ned Dunn organizer of the bench shoot in Powell on August 24, and August 25, 2019 has a change to the aggregate part of the shoot. Ned decided to include a pistol shoot as part of the aggregate in addition to the rifle matches. So if you are planning on attending the bench shoot, please bring along your pistols. Any questions please contact Ned Dunn at (307) 754-4498.

Gary Millhouse has returned from his adventures in Alaska. They spent a few days on the road getting to Alaska, and spent some much needed time fishing while in Alaska. He was able to bring back a lot of fish fillets. He did report that the weather this year has been one of the warmest summers there. He said he had a great time and enjoyed his adventures.

The Sierra Madre Muzzle Loaders had their 39th Annual Rendezvous this past weekend. In the next newsletter look for the shoot results. And if anyone attended this shoot, and if you took pictures please send them my way so I can include them with the shoot results. Crystal Gillen was busy behind the registration table, registering shooters, selling meal tickets, and taking money for the nine prize raffle. Many people donate time and prizes, to be able to give them away as shooter prizes. And some nice prizes at that. Josh Saier, president of the Sierra Madre Muzzle Loaders, was in charge of the range the whole weekend. He did a great job, in keeping the range under control. The shoot is on a scheduled agenda, which means everyone shoots the individual shoots at the same time. You don't just shoot your packet throughout the whole weekend. Gary Millhouse, and a few other volunteers did a great job in cooking the pig roast. The pork that was prepared was excellent. Everyone was asked to bring a side dish. And there was some excellent side dishes that were brought in. I wonder where those folks learned to make such great dishes.

The shoot is held in Encampment, next to the Encampment Museum, on the Museum grounds. During this weekend, the town of Encampment had a History Day that they incorporate with all the traders, and muzzle loaders. Lots of visitors attended this day. It was great to see adults and children of all ages attend the event.

For this shoot, there were near 60 shooters, and 200 meal tickets sold. Camping was tight but everyone had a great time. This was my first time attending this particular shoot, and Shawn and I are making plans to attend next year's event. Look for more pictures, and shoot results in the next newsletter.
