2014 RULE CHANGES AND ADDITIONS

Add 40-2c In the event that a contestant is unable to compete at a rodeo after he/she has entered, due to the death in the immediate family or extreme emergency, the contestant must notify the SDRA secretary immediately. The secretary will then contact the SDRA President and the Event Director and they will decide if the entry fees need to be paid or they will be forgiven and not be paid. The Secretary must be notified before the start of the rodeo.

40-6 When there are no qualified rides/times in an event, the Ground Money shall be paid to the SDRA. The money will be delegated to that event's Finals sponsors and/or awards for that rodeo year. If there are some qualified rides/times, but not enough to complete the whole pay-out, the money not paid out will be evenly divided between those contestant's in that event with qualified rides/times. Day money not able to be paid will be retained by the rodeo committee. Example: The payoff should be for 4 places but there were only 2 qualified rides/times. The money for 3rd and 4th place will be evenly divided among the 1st and 2nd placing contestants, but those additional ground monies do not count toward year end standings.

P. 31 10-15: CHANGE THE FIRST SENTENCE TO: First approved SDRA Rodeos will have day money and the contestant will be charged \$5.50 per event. (this will make day money mandatory)

UPCOMING RODEOS

Attention!

Oelrichs Last Round will be 2 separate rodeos this year . You will need to enter each day separately. The first rodeo will be held on Saturday September 13, 2014 with a performance at 1:00pm. The second rodeo will be held the following day Sunday, September 14, 2014 with slack at 9:00am and the performance at 1:00pm MT.

With this being the last weekend in the regular season it is a great opportunity to pick up some extra winnings and secure your spot in the 2014 SDRA Finals in October!

THE LIVESTOCK HAULER'S BRAND

INNOVATIVE - PIONEERING - GENUINE

Wilson Trailer produces the longest-lasting, most reliable gooseneck livestock trailers the market has to offer. Their trailers incorporate many of the same standard features as Wilson's industry-leading semi-sized trailers and they are just as tough.

Riveted Construction – Wilson uses riveted construction to make their trailers more rugged for on and off road use. You will appreciate not wasting valuable down time and money spent on repairing welds. Riveting also eliminates weakening the aluminum material with intense welding heat, thus making the trailer structurely stronger and longer lasting.

Lightweight Aluminum – Much lighter than steel, Aluminum is also naturally corrosion resistant. Wilson even makes the sub frame aluminum.

Full Frames Gates – Heavy duty for reliable containment.

Enclosed Overhead Wiring – It's enclosed AND protected.

Smooth Interior Walls – Gentler on livestock and easier to clean.

Diamond Tread Plate Floors – The industry's hardest alloy and highest diamond height.

South Dakota Independent Order of Odd Fellows

Promoting Friendship, Love & Truth Elevating the Character of Mankind

Are you interested in fraternity? Are you interested in a scholarship? Are you interested in having fraternal sisters and brothers throughout the world all working together to elevate the character of mankind?

The Independent Order of Odd Fellows began in 18th Century England, it was deemed odd to find people organized for the purpose of giving aid to those in need without recognition and pursuing projects for the benefit of all mankind.

Our deep history began in North America, with the United States and Canada in 1819, and is continually expanding throughout the World where we are a world wide fraternity in 26 countries. The Odd Fellows and Rebekah are striving to make the world a better place in which to live, seeking to improve and elevate the character of mankind.

Contact your local Odd Fellows or Rebekah Lodge or the Grand Lodge of South Dakota (605-722-4635) for information. Take a few minutes and check us out at www.ioof.org
