

GUTTER FLUSHERS

THE MOVIE

If you haven't heard, Gutter Flushers, the movie is being filmed in Kansas City. If you would like to help please contact us.

Our spin off movie Aloha Motors is next in line! Both screenplays are written to be filmed locally and inexpensively.

Both are also period films, set in the 1970's, an era of simpler times when music was meaningful, fashion was bold and cars were the stars!

Now more than ever people go to the movies to be inspired, not inundated with abnormal behavior. Our platform is clean, family fun. We're kid friendly!

We have enormous talent with our cast and crew; over 130 people are involved on both sides of the camera.

As a client of our company, upon which the movie is based, we wanted you to be aware of our efforts. We also wanted to reach out to you for whatever support you can give. As Gutter Flushers is set in July of 1970 anything thing you can offer from locations to clothing to props to the use of a vehicle of the era would be greatly appreciated.

Also, stay tuned for our upcoming ad on Kickstarter. Gutter Flushers is a full length independent comedy. We'll incur many expenses through the projected year it will require to film. Any support you can offer will help to feed our cast and crew, purchase necessary equipment, film special effects and buy music rights.

Thank you so much for reading our letter. If you would like a copy of the screenplay and our latest newsletter please contact Greg and Jessica.
