Annual General Membership Meeting:

Our annual meeting will take place on October 27, 2021 at Noon. It will be held virtually.

Details will be sent out as we draw nearer to the date.

Please call with any questions.

Did You Know???

Changes are coming starting in 2022 for the Kansas Health Care Stabilization Fund.

New Senate Bill 78 signed by governor Laura Kelly will increase the base liability insurance that defined health care providers are required to obtain from an insurer. The new law will also change the three options currently offered by the fund to just two options. Check out their website for more details.

PHO Website:

Check out our website for more provider news and contract information.
