

Level 1-2: Advanced Beginner/Knitting Dishcloth

Want to learn how to expand your knitting skills and help the environment too? Try knitting cotton dishcloths. They are easy to learn and fun to make. They make excellent gifts for all occasions. You will have access to four different patterns of various skill level. Each was chosen to teach you a new technique and reinforce what you can already do. Some of the patterns include both a chart and line-by-line text instructions, so that you can compare the two, and become comfortable knitting from a chart.

Objectives:

To further build on your knitting skills by learning how to:

- Utilize knit and purl stitches to create a geometric design or pattern
- Learn more techniques such as yarn overs (YO), slip stitch (Sl St) Knit 2 together (K2tog) and slip, slip, knit (ssk)
- Learn how to read a chart

Class Meeting: This class will meet for two hours from 3PM — 5PM on Thurs 7/28 and again on Thurs Aug 4th 3PM–5PM.

This class meets right before our POJ Sit and Stitch Potluck. Feel free to stay longer and continue working on your piece with other members of the community.

Materials:

- ✓ Needles: size 7 or 8 US, straights or circulars
- ✓ Yarn: about 35 grams of worsted weight cotton (65 yards)
- ✓ Stitch Markers (4)

All your supplies can be purchased at the shop.

Cost: \$50.00 for BOTH classes. Patterns included.

Patterns from Ravelry: Take a look at the following links for patterns, you will have time to work on two dishcloths and understand how to do the others.
