President's Message

Fellow Zontians,

I hope this message finds all of you well!

A big "thank you" to **Isolde** for hosting our summer Picnic last month! And, while we had asked Angie to be prepared with Bunko, I guess we were just too involved in socializing, as we ran out of time! Not a bad thing, really. But thanks to Angie for her efforts!

See you on Tuesday!

Carla

Advocacy

As we are approaching our first **Advocacy Summit** experience, I thought we should review some thoughts about the **process of Advocacy** - taken from the most recent District 15 Bridge newsletter.

1. **Analyze** and understand the issue
2. **Plan** and coordinate events to raise awareness about the issue
3. **Make** alliances and partnerships with like-minded organizations
4. Prepare the material
5. Address to the legislatures
6. Evaluate and implement the results.

Our club has started, and we are

trying to encompass and make strides with the first 3 points. We are newbies at this; time will tell what more we can do - where to take it from this point.

We should be proud to have at least started the process!
