

Hernando Band Program

Dear Band Supporter,

Thank you for your consideration in becoming an official sponsor of the Hernando Band Program. Our band program has a proud tradition of excellence. The Concert and Symphonic bands have repeatedly scored the highest rating of "Superior" at state evaluations, while also winning the prestigious "Sweepstakes Award." In 2014 and 2015, The Hernando Marching Tigers were named the State Champions in Class 6A, despite being the smallest band in that class.

The marching band is known not only for their crowd-pleasing parade performances locally, but also the entertaining of international crowds such as in the 2014 National Cherry Blossom Festival in Washington DC. Their most recent accomplishment took place this past April when they traveled to San Antonio, TX to participate in the prestigious Fiesta Flambeau Parade, the country's largest illuminated nighttime parade.

The Marching Tigers earning their "6A State Champions" title in Pearl, MS

While the band is honored to represent their school both local and statewide, the Hernando Band students and directors know that the true measure of success in school comes not from titles and championships, but from the benefits of a music program in their school. The process of award-winning performances requires the students to spend countless hours in rehearsals and individual practice. Research has shown that the self-discipline and determination needed to perform at a high level are traits that carry over into intellectual pursuits. Many Hernando Band students are members of the National Honor Society and several students participate in county and state honor bands as well.

The level of high performance maintained by the Hernando Band program requires expenditures which are necessary yet exceed the school's band budget. To meet these needs, sponsors are being sought in order to help with performance essentials such as uniforms, entry fees, props, travel and instruments.

With your sponsorship, the Hernando Band program will continue to support each and every student who wishes to have a public music education. With your contribution, the Hernando Band Boosters will be able to operate from a consistent budget as you help to provide the necessary funds to support each Hernando student musician's goals to achieve. Attached is an outline that details the levels of sponsorship and benefits.

Thank you for your consideration in becoming a sponsor of the Hernando Band Program!

Hernando Tiger Band
