Dear Resident:

The mission of the Blairstown Department of Recreation is to service the recreational needs of our residents and to develop a variety of programs that fit and address these needs. These programs and events provide opportunities for physical activity, education, social interaction, creative development, and merely for the purpose of relaxation and enjoyment.

Please refer to the **Program Information Chart** for the times, dates, location, age, and general information. The **Program Description** will provide an explanation of what the program entails. **Registration Information** states our policy and procedure for registering for our programs along with our non-resident policy. A blank **Registration Form** is also available. Please refer to Sports Groups if you need contact information on a Sports Organization.
