Description of cheeses

Cheese Curds

Made from farm certified rBST free milk. Curds are often referred to as squeaky cheese. The perfect healthy, high protein, low carb and gluten-free snack. Want more squeak? Simply microwave for a few seconds!

5 year Aged Cheddar

Aged for 5 years for that ultimate sharp mouth-melting taste you are looking for.

Raspberry Sartori

Nutty, creamy, award-winning creation — soaked with handcrafted Raspberry Tart ale. The bright notes of ruby-red raspberries combine with hazelnut and brown-butter flavors to make a deliciously complex cheese.

Cranberry White Cheddar

From the cranberry bogs of Wisconsin, a tart, firm and somewhat crumbly white double milled, aged cheddar.

LaGrander's Cheese

LaGrander's Hillside Dairy offers award winning Colby and Pepper Jack that are some of the finest cheeses in the country.

Cold pack Cheese Spreads

Smokey Bacon & Port wine Cold Packs are made by blending cuts of Grade A-- Wisconsin State Brand--Natural Cheddar, aged nine months, with cream and other dairy ingredients. These components are processed until a smooth texture is achieved.

Portabella Mushroom & Chive

a sultry moist, creamy texture that emanates a complex of wonderful flavor notes. An exceptional accompaniment to red or white wines, melts well on veggies and slices easily for a sandwich. A small vat handcrafted original!

Whips

A low moisture part skim Mozzarella cheese that is strung into long little shoe string whips. A fun healthy snack for all ages!

All these Cheeses are hand-crafted in Wisconsin.
