Door Prizes: Jane Kolimaga, Harold Burch, Allison Taylor, Jan Howard, Blandy Fisher, Mike Williams, Worth Hill, Yvonne Ellis and Dennis Nichols

Queen of Hearts: \$145 - Dudley Robinson - he did not win.

Our speaker today was Jane Kolimaga, Founder & Friend-in-Chief of Appointment Friend. She started the business year ago after realizing the need in her own life. She will take you to an appointment. This service will be especially beneficial for elderly people or if you need a procedure requiring anesthesia. She will take notes and pick up your prescriptions if needed. Jane's phone number is 919-451-7444. Please give her a call to discuss further.

Our next meeting is Thursday, April 14 and our speaker will be none other than our very own, Tommy Gentry. Tommy will give us some history of Civitan, so if you are new to the club or been around for a long time, I am sure you will learn something you didn't know.

Bring a friend - they may join!
