

Mercy New Everyday

Stability - Many of you as supporters have lived very stable lives and grew up in stable homes with reasonable parenting, morals, and spiritual values. Consider if you had not had the privilege of growing up in such an environment where love, concern, and principles were taught and expected. Think how you might see the world if there had been

constant turmoil and stress and no mentoring guidance and you had to make it up on your own and now you found yourself at age 35 or 45 trying to reverse all those years of the wrong patterns of living. This is what many of our residents face. Choosing to change years of bad choices behind them and go the other direction, repent. It is a cycle that must be

broken one day at a time. **It is only possible with Jesus blood and the Holy Spirit's power.**

Because of the LORD's great love we are not consumed, for his compassions never fail.

They are new every morning; great is your faithfulness.

Lamentations 3:22-23

Pray - Continue to pray for resident's for strength to choose change. Pray for staff members to be a good example of Christ in the world. Pray for our Sr. residents as they experience more freedom working jobs, etc. that they will stay grounded. Pray with us to locate an economical 4-door 3/4 ton pickup for work projects. **Praise** - For end of year donations for 2016 and many food donations.

Invitation - We still have needs each month to have a "balanced budget" but God continues to provide from sources we didn't know existed. We continue to invite you to consider being a regular donor \$20, \$50, \$100, or more according to your ability. You can give using the enclosed envelope by check or filling out the appropriate information. You can also give by credit, debit, or ach on the website "Donate Now" button.
