

Quilt Hanging Options

By Mary Cannizzaro

Triangle sleeve:

- Good for small to medium size quilts.
- Use two, three or more depending on the size of the quilt.
- Cut a square - depending on the size of the quilt - from 4" to 9".
- Fold on the diagonal with right sides together, press.
- Fold again to create a smaller triangle. *The sides will be folds; the hypotenuse will be the raw edges.*
- Place the triangle with the raw edges to the edge of the quilt.
- Sew in place.
- Secure the tip of the triangle with a hand tack stitch.
