

May 2021 Newsletter

You may have heard about our caterpillars which are growing bigger by the day and ready to go into the next stage of chrysalis. The children have given so many suggestions of names that we put them in a computerised pin wheel and their names are - Cinderella – Flower – Elsa- Evie and Bella. We will be watching them carefully through to their next stage awaiting them turning into butterflies.

Bella our Blue Tit

We are so excited that Bella has finally laid eggs in our nest. We have watched Daddy bird come and feed her whilst she is on the nest and was able to take this photo when she briefly left her nest. We will watch avidly waiting for them to hatch

Leavers Book

We will once again be preparing a Leavers Book for all children leaving for Primary School. There will a page dedicated to your child with photos of their work, handwriting and also their thoughts of their friends, preschool life and what they want to be when they grow up. Additionally, there will be photos of activities they have been doing at preschool as well as a class photo. These will be available in July at £10.00 each. Please look out for order forms so we know how many need printing.

Suncream & Clothing

Should the weather continue to be sunny, we will be applying suncream to the children, anyone allergic to our suncream, please bring in your own so we can protect your child. If Nursery Children could be creamed prior to attending please.

Please ensure that your child comes to preschool dressed with the tops of their arms covered – no strappy tops

Needed Help Urgently for Builder/Carpenter/DIY Help

We have a number of wooden structures in our garden which is desperate need of repair. Our large garden sandpit has rotted, our well loved pirate ship and a wooden bench also needs attention. Is there anyone or a group of people who could please help us fix them so the children can still have safe access to this equipment. If you can help please speak to a staff member

Packed Lunches – Choking - Allergies

Young children are particularly vulnerable, they are still learning to chew and their swallow reflex is still developing. To prevent this, the NHS advise that grapes, tomatoes and similarly shaped foods/fruit and that we have advised you to cut into quarters.

Please do not put sweets such as skittles or mini eggs or similar in your child's lunchbox.

Should you put chocolate spread in your child's sandwich, could you please pop a note in so we know that it doesn't contain nuts and is not Nutella or similar. We are a nut free preschool and we have
