A MESSAGE FROM WALK #132 LAY DIRECTOR

It has been 15 years since my original walk in February of 1995. In preparing for Walk #132, my mind is flooded with the memories of those years. Some of the memories bring smiles. Some bring tears. But they all bring a warmth to my heart – the warmth that comes from the Emmaus experience.

The Emmaus experience is more than sitting in a conference room listening to 15 talks, taking Holy Communion each day, eating every 2 hours, and walking up the hill from “you know where”. No, the Emmaus experience is much more. It is seeing refreshments magically appear. It is forgetting your pillow or toothbrush and having a replacement by the next break. It is seeing Godly friendships develop. It is witnessing the power of prayer as speakers float into the conference room and deliver the talk that God has written. It is the sound of praise and worship rising from the conference room with more harmony than humanly possible. It is finding pieces of agape at your table or on your bed and wondering how it got there. It is going to Chapel and finding a beautifully arranged worship setting. It is laying your Dying Moment at the foot of the cross and never picking it up again. It is having meals prepared for you and served to you. It is seeing unconditional love and devotion to Christ in the eyes of those who come to Candlelight and Serenade. It is seeing barriers destroyed and hearts changed by the Holy Spirit. And, most importantly, it is having the encouragement and support of the Emmaus Community in your Fourth Days.

That, my friend, is the Emmaus experience. It is these memories that warm my heart. It is the friendships that I have developed with others in the Emmaus community that have encouraged and supported me in the good times and in the bad. It is my hope and prayer that the pilgrims of Walk #132 leave Camp Alamisco with an Emmaus experience that will warm their hearts the rest of their lives.

FROM THE SPIRITUAL DIRECTOR OF WALK 132

A few months back (during the moving process) I became reacquainted with a small book on prayer by Henri Nouwen entitled "With Open Hands". The book describes the different stances we have as we approach prayer. The first chapter is "With Clinched Fist". Reading this chapter I was reminded of my stance to my Emmaus Walk, Blue Lake Walk To Emmaus # 12, I approached the weekend with clinched fist, and as my husband said later concerning his walk "if I had found your car, I would have come home."

Over the years since my Emmaus Walk I have been blessed to learn that I wasn't the only one who wanted to go home. We know that many of the pilgrims of Walk 132 as the days fall away and the time for their Walk To Emmaus gets ever closer their resistance may strengthen. I know that God is in the Midst of all of our planning. The pilgrims and the team have been picked by hand, by our Lord and Savior Jesus Christ. We are on a vision quest and lives will be changed.

These next few weeks are so important in the spiritual formation of all who will be a part of CAEW # 132. Please be in prayer for our Pilgrims, Conference Room Team, Our Worship Team, Our back ground team, all of those precious ones who have everything set up, just when we need it, made agape, have the agape in place, have wonderful meals, wonderful snack times; all of those who are

sponsors, will come for Candlelight, and closing, and those who pray for all by name. All of those who will ride home with our pilgrims and will become forever the beginning of their four day. There is no small part to serve. Your part may be the very blessing that pilgrim needs. Thanks for your willingness to serve.
