TREASURER’S REPORT

The November Treasurer’s Report is pending. No action taken.

REQUESTS VOTED ON:

A \$600 request was submitted by CMS basketball coach Brad Oakley for uniforms in smaller sizes (because the current supply of uniforms too big for a number of players). These additional uniforms will be used for the next six to seven years.

While coaches can’t predict the size of players from year to year, the Board discussed the importance of all coaches ordering sample sizes before ordering uniforms for the team. Uniform sizes seem to vary greatly; ordering sample sizes will hopefully help ensure correct sizing. Kim Sherwood suggested adding “ordered sample sizes” to the checklist to the form that coaches complete with their requests (which ensures the use of current Trojan head, correct colors, etc.). The Board also discussed the importance of coaches tracking uniform sizes each year to better understand sizing trends for future orders as well as annually inventorying uniforms.

Motion: Jeff Vanatta

Seconded: Molly Bickford

OTHER DISCUSSIONS:

The Board discussed offering the Nike kickback money to the Tennis teams. The Tennis teams have been using the same uniforms for years and are interested in ordering new.

President Kim Sherwood discussed distributing a survey to coaches, asking if they are using the Huddle team software. Currently, the Booster Club pays for subscriptions for volleyball, football and girls/boys basketball at the cost of \$400. Sherwood wants to make sure teams are taking advantage of this tool or re-evaluate subscriptions if the software is not being used.

Sherwood distributed a “thank you” card from the CHS Trojets, thanking the Board for approving the dance mirrors.

Sherwood welcomed guests Tracy Rankin and Diana Taylor and invited them to consider serving on the Booster Club Board.
