**A Note from Rick:** Markets were steady this week and butcher cattle were just a tick cheaper. We will not have a regular sale on the 31st due to our Draft Horse week and are looking forward to a big sale the next week. Hopefully, we'll have some good market talk then. The Friesian Fall Classic opened our new sales arena with a bang. We had a hot market, a packed house and it was a blast. We are so excited about the new facility. It was just an amazing atmosphere. We heard tons of great feedback and still have some fine tuning to do, but overall it was a great success. It was made possible by lots of employees working lots of hours and we just can't thank them enough. Come check out TLA next week for the Draft. It's where the Action is!
