Dear Mr. Vic Pascoe,

Thank you for your \$1,500.00 grant contribution made on 10/1/2018.

***Please retain this letter for your records. When we work together, we make good things happen for children growing up in low-income communities in Annapolis.***

This grant will have a direct and positive impact in the lives of the children we serve. We've accomplished many wonderful things last fiscal year, which include:

- 100% of our students are matriculating to the next grade level
- 60% of our students have at least a B grade point average
- 100% of our students have been paired with a one-on-one academic success coach and/or a mentor
- Cumulatively, our students have received 10,275 hours of programming, academic coaching and mentoring
- 100% of our high school seniors have become accepted into colleges.

Your contribution will go directly towards helping us achieve our mission of helping children from low-income communities succeed in school and life. Please contact me at [najiba.hlemi@s4sannapolis.org](mailto:najiba.hlemi@s4sannapolis.org) for grant reports or any follow up.
