

## **Script for Contacting Senator Hoeven**

*My name is \_\_\_\_\_ and I reside at \_\_\_\_\_ in [City], [State]. I am a proud supporter of the Mashpee Wampanoag Tribe and am calling to voice my strong opposition to Secretary Bernhardt's recent directive to disestablish the Mashpee Wampanoag Tribe Reservation and to ask Congress to act quickly to enact HR 312 -- the Mashpee Wampanoag Reservation Reaffirmation Act.*

*They are the first peoples of this land and extended their hands to the European settlers in peace and friendship. I am calling to urge Senator Hoeven to lead the effort to protect their Reservation from being disestablished on his watch.*

*I urge Chairman Hoeven to take the steps needed to pass the bi-partisan legislation, HR 312, that already has been passed by the House and now awaits Senate action.*

*I want to ensure that my message reaches the ears of Senator Hoeven and is shared with the rest of the Senate Committee for Indian Affairs. Thank you.*
