

St. Anne School Uniform Policy

Overview

The appearance and attire of our students is of utmost importance. Research has shown that student behavior, attitudes and effective learning improve when students are dressed appropriately. School is not primarily social and fashionable in nature and students need to see their school uniform as different and more “professional” than their “play” clothes.

Students are expected to present a neat and clean appearance, and to have their uniform clothing marked with their names. Uniforms are mandatory for grades 1-8 and are to be worn from the first day to the last day of school in accordance with the school’s uniform policy. Parents/guardians will be notified of exceptions.

*Shoes that light up, play music, or have wheels are **NOT** allowed. In addition to being distracting in the classroom, they are disrespectful to have in church.*
