Join us on October 11th for an evening hosted by Fleet Brake, with Greg Jordan, Manager at FB, quarterbacking a three pronged presentation:

Autosock: The patented and safety-certified product AutoSock® is available as “**snow socks for trucks**”, also available for buses. Are you stuck with your truck or bus in sudden snowfalls or icy roads? No chance to move your unloaded truck or bus due to a lack of weight on the driving axle?

Then AutoSock’s **snow socks for trucks** and buses is the simple solution to get and keep your vehicle moving! The product has a weight of less than 2 kg per pair and is much easier to use and much quicker to mount than conventional metal snow chains.

Shell: A review on 2017 OEM Specifications for Trucks, changes and industry trends and Impact on fleets.

Truck-Lite: An analysis of some new and exciting products.

ATSSA Mission: “To provide a congenial networking and educational forum for commercial vehicle Fleet Supervisors and their industry colleagues, in order to enhance and influence environmentally sound, safe, reliable and cost effective maintenance practices”.

ATSSA GOLF - September 13th

We had a very nice ATSSA golf day at Nobleton Lakes on September 13th. Weather was great as was the company and the food, with lots of prizes thrown in for good measure! Turnout was good but down from average. We have to thank Brian Sibbald and his Entertainment team for their usual outstanding effort and success. Brian reports that we raised \$1025.00 for our Christmas Charity 'Toys for Tots' fund (Some of our putting winners where most generous in re-donating their winnings! Thanks much!); and \$1475.00 for our ATSSA MAP Scholarship fund.

Nobleton Lakes Golf Club also provided free tickets for 3 foursomes with cart, to be applied to our 50/50 draws for MAP scholarship fund; two were used at the Golf draw and the remaining one will be applied to the draw in October.

Participating Suppliers : We owe a great deal of gratitude to our sponsors for their continuing support, without whose assistance and participation such events would not be possible. Please refer to the Tale Lite's last page for information on our golf sponsors. Thanks all!

Remember to favour these who support us!

NOTE: To evaluate if you would be interested in joining our/your committee, please contact any executive listed below to attend a few of our executive meetings, to check us out!
