David L. Smith, PC
International Adjutant

Dear Adjutant Smith,

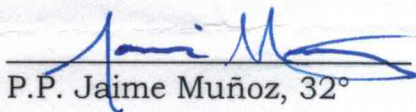

Is an honor for me to run for Lt. Commander of IALOH. As an american citizen born in Puerto Rico, I volunteered in the US Army for 3 years and served in Vietnam from 1967-1968. Since them, I was president of General Products Environmental Company removing asbestos, lead paint and chemical spills.

I am a Past Master and Past Potentate of Al Rai'e Saleh. I was presented the Hall of Fame Metal for being No. 1 Shriner Club in obtaining more new nobles and also awarded the Gold Award.

I have been attending the IALOH Conventions for the last 3 years in a row, attended the National Cemetery Ceremonies for 3 years also. I am also a member of Yaraab Shriners. My Lady Madeline Figueroa accompanies me on all conventions.

It will be very humble to be part of such association. Being a Lt. Commander, I will assist whenever my help and attendance is required.

Your in the Faith,

P.P. Jaime Muñoz, 32°

Copy of DD214 included.
