**Visioning & Dreaming**

Join us as we explore our neighborhoods. We are seeking to discover the actual “story” of our community in comparison to what we believe to be the “story” of our community. The first step in discovering our mission opportunity is by asking “*who is our neighbor?*”

Join us as we gather at the church at 9:00 a.m. on **Saturday, September 22<sup>nd</sup>**. At that time we will break into teams and divide up the map. Teams will go out to explore the area with a list of questions to consider. And to pray for our neighbors.

Teams will return to the church to turn in their observations so that the information can be consolidated and we can start the next steps in the process of discovering our mission opportunities.

**September 8<sup>th</sup> - Family Movie Night at 6:00 p.m.**

Family Movie Night – ***I Can Only Imagine***. The website [www.common sense media.org](http://www.common sense media.org) (Christian movie reviewers) suggests that the movie is appropriate for children 10 and over.

*“The story follows Mercy Me singer Bart Millard’s turbulent upbringing with an abusive father, as well as how his father’s eventual conversion story inspired the breakout hit. There’s some heavy material involving Millard’s father’s emotional and physical abuse, as well as a sad (but expected) death and the exploration of grief and personal faith. Christian families who see the film will likely be familiar with the song and will appreciate the movie’s messages of redemption and salvation, as well as its themes of compassion, gratitude, and integrity.”* ([www.common sense media.org](http://www.common sense media.org))
