

Annual Membership Meeting and Board of Directors Election

Hello, neighbors! Woodwind Lakes will be holding our annual homeowners meeting on October 15th at 5:30. We will be in the large meeting room at Windfern Forest MUD building, 14400 Mauna Loa.

We will review some community business at this meeting but the main item is to elect two directors to the Association of Woodwind Lakes Homeowners Board of Directors. The elected directors shall serve terms of two years.

You will have received the Notice of Annual Meeting of Members from Crest Management along with your 2024 proxy. It is important we attain a quorum. Without a quorum, no business can be conducted.

You are encouraged to attend the meeting in person but if circumstances prevent you from attending, the board encourages you to assign your proxy.

For the proxy to be valid for counting, **the proxy provided by Crest must be used**. The proxy form has your account number. As a security measure, photocopies or altered forms will not be validated. Please remember to sign, date, print your name and include your address on the form. If you have misplaced your proxy, you will have to request a new one from Crest in sufficient time before the meeting or attend the meeting and vote in person.

When assigning your proxy, you have three available options:

You may specify your proxy is to be used for quorum purposes only. No one will vote on your behalf and your vote will be recorded as "present".

You may delegate your vote to another person you trust. That other person decides how they will use your vote. They are not bound to vote for any candidate and they will use their own judgement regarding any other questions that arise during the meeting.

The third option is to assign your vote to the Board to act on your behalf. If you choose to select this option, you can turn your proxy into any current Board

member. You may call, email or text any current board member. We will arrange to pick up your proxy.
