Saturday Sunfish Racing

By Barb Dillon

The 10 sailors who participated in racing on July 20th were rewarded with fantastic wind! Lively sailing on a hot day was a fun way to beat the heat. We sailed 3 races with a mix of sailing camp & adult sailing students & experienced sailors. Thanks to Chip Wood, Eric Jenson, Connie Jenson & Pam Kirk for running the race committee.

Gilligan's Island coming to the Yacht Club

by Karen Kohler

The Low County Seafood Boil by the Cruiser Fleet will add a little "spice" to the event this year. We're going to have a Gilligan's Island theme!

Come dressed as your favorite character from Gilligan's Island (or one of the guests that happened upon the castaways). Ginger says that it's going to be INTERESTING this year. Mary Ann says you are going to LOVE the food!

MARK YOUR CALENDAR for
SATURDAY, AUGUST 17TH
at 6:00 P.M. Bring your own
drinks. No need for table service.
It's served on the table!
A 50/50 drawing and prizes for
the best represented of Gilligan's
Island.

Single \$15 and Couples 2 for \$25
kids under 10 are free
PLEASE RSVP to Karen Kohler at
karenk198@yahoo.com or call
419-236-8894

Potluck Dinner Moves to Fridays

Susan Holder

Just a reminder, if you are interested in coming to our evening POTLUCK at the club (previously "the Thursday evening dinner club) it is now moving to Fridays at 6pm.

Our First Friday Dinner Club meeting was a success. We had 18 members that brought wonderful food and a great time was had by all. We are hoping this Friday night dinner will be a good thing for everyone.

Trustees at Work Around the Club

Jim and Karen Kohler spent some time around the club making things look amazing. They worked on painting the doors and getting the beach ready for the summer. Thanks for all you do.

Indian Lake Regatta

by Chip Wood

July kicked off with annual Indian Lake regatta. Twelve Interlakes and three Lightning racers enjoyed lively winds Saturday afternoon. With light winds forecasted for Sunday, we pushed for four races before dinner. Shifty winds kept

everyone on their toes all afternoon as it was easy to find yourself on the wrong side of a shift! Steve Aspery was the class of the Interlakes scoring top 3's in all four races and Tom Varley took the top Lightning honors with three

straight bullets.

ILYC would like to thank the volunteers who supported our weekend and the visiting competitors and friends who made the regatta possible.

Past Members Return for a Visit

by Jeff Patton

Glenna and Duane Draving from Kansas stopped by the club today. Glenna's father was Charles Lutes a Lightning sailor from the early 70's. Glenna spent most of her summers here. Many of the dock gear boxes for the lifts came from where Charles worked. Charles built wood Lightnings and refurbished many lightnings. They enjoyed seeing how the club has progressed. They can be contacted at ddraving@cox.net

Coffee Pots Now Available at the Club house

by Dan Graf

Three coffee makers were dropped off at the clubhouse. They have all been cleaned and work. Please clean after using and keep all parts. D Graf
