A letter from Madeline Boyd, president, Kamil Kubik Foundation

2020 marks the eighth anniversary of the Kamil Kubik Foundation and we are grateful to the many Kamil Kubik Foundation's supporters, collectors, and friends and truly hope that 2020 marks the beginning of a great year ahead.

Our small volunteer board of directors continues to serve the foundation which was created in 2012 to honor artist Kamil Kubik, his works and his generosity. At this time of year, we remember Kamil and his wife, Joanna, fondly and we are happy to share news that continuous support is received by the foundation. The foundation recognizes Peyton Carter, an avid art collector of Kamil's art works for his generous support and are thrilled that pastel, NYSE George Washington, is now added to his collection. Each piece of art donated, and each piece sold, supports our mission and young artist grantees. We also recognize and thank BBLA and the Association of Free Czechoslovak Sportsmen for their ongoing deep support as well as all of our other friends who supported us.

The 2020 Grant Submission period is now open until May 30, 2020, so please tell NYC area 5th to 12th graders to apply on the website.

Large Kubik Oil Work Now Resides at The Catholic Community of Saints Peter and Paul in Hoboken, New Jersey

The foundation is delighted that Rev. Msgr. Michael A. Andreano and his congregation and visitors can now enjoy this beautiful large-scale work of *Jesus Carrying the Cross* at their church in Hoboken, New Jersey. Kamil would have been happy that his work found this great home for many to enjoy.
