

## **38th ANNUAL MS River Road Run**

The Ride will be on August 19-20, 2023. The 38th Annual MS River Road Run is a motorcycle tour beginning at Moon Motorsports in Monticello, MN. The purpose of the MS River Road Run is to raise money to aid in the search for a cure for Multiple Sclerosis (MS). We ride for one reason, to help those with MS.

MS is a chronic, often disabling disease of the central nervous system. Most people with MS are diagnosed between the ages of 20 & 50, but the unpredictable physical and emotional effects can be lifelong. The progress, severity and specific symptoms of MS in any one person cannot yet be predicted, but advances in research and treatments are giving hope to those affected.

Nearly 1 million people are living with Multiple Sclerosis in the United States. The money raised goes to the National Multiple Sclerosis Society, Upper Midwest Chapter, Minneapolis, which is a non-profit, voluntary health organization dedicated to advancing the cure, prevention and treatment of MS.

With your support, the National MS Society has achieved as much progress in the last 5 years as the 70 that preceded it - changing all aspects of life for people affected by MS.

The Society has invested more than 1 billion dollars to fund MS research to get us closer to a cure.

The Society would not be able to move this incredible work forward without the support of our generous donors. Together, we are stronger than this disease. Together, we fuel breakthroughs. And together, we ensure every person affected by MS has access to the resources, support, and community they need.

The money raised from this fund-raiser will be used for research to find a cure for MS. Denise and Carl have a personal stake in this ride. Denise's niece, Lori Serbus, had MS for about 23 years. Lori passed away on Dec. 30, 2004, from complications caused by MS. We want to help others like Lori that have this devastating disease.

This will be our 22nd year riding on the MS River Road Run. With your help, and others like you, Denise and Carl have raised over \$90,330.00 for MS, in our first 21 years. Thank You!

The ride will start in Monticello, MN. We will be riding on scenic back roads to Rockford, Lyndale, Tonka Bay, Chaska and to Leo's South in Lakeville, MN for Lunch. Then we head to Jordon cruise along the MN River to Le Sueur and towards Waterville around the lakes and to St. Clair, MN and end at the Country Inn & Suites, Mankato for the night.

There will be a banquet with a silent auction and live auction to raise money to help fight MS. If anyone would like to join us at the banquet, tickets can be purchased separately for the dinner.

Sunday we will ride to the Twin Cities area before heading home.

This year's route was designed by Carl and Denise.

### **Special Notice:**

**Denise and Carl are setting a goal this year to raise \$4,500 for MS. An anonymous donor has offered to donate an extra \$250.00 if we surpass that goal. If we surpass \$5,000.00, they will raise that amount to an extra \$500.00.**

Please help us reach that goal with your pledge. Please mail your check (made out to “**The MS River Road Run**”) to us. All checks received by us will be in the hands of the MS Society within several days. The sooner your check gets to us, the sooner your gift will start helping someone with MS.

If your place of employment has a Matching Gift Program, please fill out your company’s forms, and return to us with your donation, and we will send it to the MS Society.

**REMEMBER, THIS IS A TAX DEDUCTIBLE CONTRIBUTION**
