ADD-ONS

Scalp Massage (15 Minutes) 15

A soothing massage that relaxes the soul while stimulating the mind. (A perfect add-on to a massage service.)

Dry Brush Treatment (15 Minutes) 30

Exfoliates the skin, stimulates circulation, helps to remove toxins, soothes the nervous system, and enhances immunity by stimulating the lymphatic system. (A perfect add-on to a table massage service. You keep the brush.)

Facial Massage (15 Minutes) 25

Stimulating the facial muscles with massage helps to increase circulation which increases collagen production. Collagen helps the skin to stay firm. Enhanced blood flow to the face adds vitality, health, and anti-aging benefits.

HANDS AND FEET

Hand Treatment (15 Minutes Approximately) 28

Includes a scrub created to exfoliate, hydrate and soften your skin; application of heat to lock in moisture; and a thorough, stimulating massage to hands. (A perfect add-on to a massage service.)

Hands & Feet Combo (45 Minutes Approximately) 60

Refer to the descriptions above. (A perfect add-on to a massage service.)

Foot Treatment (20 - 25 Minutes Approximately) 37

Includes a scrub created to exfoliate, hydrate and soften your skin; application of heat to lock in moisture; and a thorough, stimulating massage to lower legs and feet. (A perfect add-on to a massage service.)
