## ABOUT US

Kroto Fine Arts brings you trend setting editions from the finest artists and creatives working today.

With a catalogue of 40,000 titles, over 200 licensed artists, and an in-house creative team capable of illustrating any and every style imaginable. Kroto Fine Arts is the perfect source for your trade design projects.

Kroto Fine Arts gives creative product solutions and project management from concept to completion. No matter what your budget, we will assist with plan review, establishing the overall art concept, and curate a unique and personal collection. Our highly professional team then prints, packages and ships your custom art on time, and on budget.

From the smallest seaside boutique hotel, to the largest hospitality development project, we deliver the fine art experience that helps make your next project a success.

## CUSTOMIZED CORPORATE ART PROGRAM

---

**We Create the art, using your company logo.**

Our talented team of artists, illustrators and graphic designers at KFA will create a totally unique and original piece of artwork that incorporates your logo, company colors, and concepts.

The one time design fee of \$900 produces most designs using a single logo or corporate concept. The KFA graphic designer works through concepts, digital sketches, and then to a finished presentation... scheduled reviews and revisions along the way guarantee that you end up with a perfect piece of corporate art.
