Games in Rotation Order Wednesday, October 30th

Jacksonville State 31 LIBERTY 30. We think this Liberty team is very overrated this year as the Flames are 1-5 ATS failing to cover by 13.4 ppg. They just lost outright as 27-point favorites to lowly Kennesaw State last week. Jacksonville State has played the tougher schedule and is similar is stats. Keep an eye on Jacksonville State QB Tyler Huff who was banged up in last week's game. If he goes, Jacksonville State pulls the small upset.

WESTERN KENTUCKY 37 Kennesaw State 13. WKU has quietly covered six straight games by an average of 11.8 ppg. Their only straight up losses came to Alabama in the opener and by 1-point to Boston College. They're catching Kennesaw State off their biggest win in school history. The Owls offense still ranks dead last in yards per play and yards per game. We haven't bet side or total.

Thursday, October 31st

Tulane 37 CHARLOTTE 21. Happy Halloween! Tulane is traveling on a short week after a 45-37 win at North Texas last week. They have won 5 straight games (4-1 ATS). Charlotte has been playing better as of late and competed very well with Memphis last week before losing 33-28. We like the OVER here.

Friday, November 1st

CONNECTICUT 28 Georgia State 22. Connecticut is playing their 6th straight home game while Georgia State is playing their 3rd straight game on the road. However, Georgia State has played the much tougher schedule and UConn benefited from playing a Rice team with a backup QB last week. Our numbers like UConn here.

South Florida 28 FLORIDA ATLANTIC 25. Both teams have QB issues here. It looks like Byrum Brown will be out again for USF. Meanwhile, FAU's Cam Fancher is still banged up. FAU has been the better team in the stats but USF has played the much tougher schedule. BOISE STATE 41 San Diego State 18. Boise State escaped Las Vegas with a win last Friday over UNLV. The Broncos will now be heavy favorites in each of their last 5 games and will likely host the Mountain West Championship game making them the clear favorites to make the playoffs. They are playing a sneaky San Diego State team that is playing better as of late under first-year coach Sean Lewis. The Aztecs nearly upset Washington State last week as 16.5-point underdogs. We think Boise will try to get RB Jeanty a big game. We like OVER.

Saturday, November 2nd

Virginia Tech 28 SYRACUSE 25. Syracuse is coming off a very misleading blowout loss to Pitt last Thursday as QB Kyle McCord threw three "Pick 6's" all in the first half. Meanwhile, VT was outgained by 123 yards in a misleading 21-6 win over Georgia Tech. The Hokies also have Clemson at home on deck. They are the better team in the stats (+0.7 vs -0.4 in ypp margin) and have played the tougher schedule (No. 47 vs No. 70) but we like the spot for the Cuse.

CLEMSON 36 Louisville 25. One of the worst spots of the week here for Louisville. The Cardinals are playing a 7th straight week coming off 6 competitive games. Louisville has massively under-achieved as of late failing to cover in 5 straight games. Meanwhile, Clemson is coming off a bye after blowing out 6 straight opponents. Louisville has played the tougher schedule (No. 28 vs No. 61) and has a similar ypp margin (+1.5 vs +1.7) but again, it's not a good spot.

APPALACHIAN STATE 30 Old Dominion 29. ODU has shocked us and the market so far this season pulling four outright upsets already. The Monarch are the much better team in yards per play margin (-0.1 vs -0.9) and have played a slightly tougher schedule. However, they did lose outright in their only favorite role of the season so far. They're playing an App State team that got their first win since Hurricane Helene flooded their town last month. Our ratings lean App St.

CENTRAL FLORIDA 31 Arizona 25. We'd like to sell both teams if we could. Arizona is 1-7 ATS on the season failing to cover their games by 12.1 ppg. Meanwhile, UCF has lost 5 straight games (1-4 ATS) since a 3-0 start. The Knights were bet to a -3 favorite last week vs unbeaten BYU but lost 37-24. UCF still has a +1.1 ypp margin (No.

36) but we can't trust their pass game right now. ARMY 31 Air Force 10. What a difference a year makes as Army was a 18.5-point road underdog vs Air Force last year (won outright 23-3) and now find themselves a 22.5-point favorite. You wouldn't think a game involving two service academies would swing 6 TD's in a calender year but that's CFB in 2024. Army is 6-1 ATS covering their games by 10.9 ppg. Air Force is 0-7 ATS failing to cover their games by 11.6 ppg. This is only the 3rd time Army has been favored in this series since 1991. We lean AF.

HOME TEAM IN CAPS AUBURN 27 Vanderbilt 21. How can you not bet Vanderbilt here as the Commodores are a perfect 5-0 ATS as underdogs this year? They nearly pulled another shocker last week losing by only 3 to No. 5 Texas as 17-point underdogs. Meanwhile, Auburn has lost outright three times as a favorite already. Auburn is +2.0 in ypp margin (No. 12) while Vanderbilt is +0.0. Our ratings don't see much value but we would be interested in Vandy at +7 or more.

> Ole Miss 31 ARKANSAS 23. Ole Miss still ranks No. 1 in ypp margin and No. 2 in ypg and scoring margins this season. Arkansas is a respectable +1.1 in ypp margin (No. 24), have outgained their opponents by 133 ypg (No. 13) and have played the much tougher schedule (No. 22 vs No. 63). Ole Miss' offense has disappeared since entering SEC play averaging 31 ppg less than their four non-conference games. Still, the Rebels have one of the best defenses in CFB and should have some urgency knowing they can't lose another game if they want to make the playoff.

> MARSHALL 29 UL-Monroe 20. ULM has pulled three outright upsets already this season and Marshall head coach Charles Huff has not been the most trust-worthy favorite in past years. However, Marshall is 6-0-1 ATS on the season covering their games by 5.9 ppg. They are coming off a bye while ULM is on the road for a 2nd straight week. Our ratings really like ULM here but deep diving the game further, we only lean ULM.

> MIAMI, FL 38 Duke 18. We think Duke is overrated. The Blue Devils have only played the No. 81 schedule. Last week they lost at home to SMU despite a +6 TO margin. Prior to that loss, teams were 124-1 straight up when having a +6 TO advantage since 2000. Head coach Manny Diaz is heading back to where he was fired a few years ago so expect a chip on his shoulder. Meanwhile, unbeaten Miami is No. 1 in ypg margin this season (+262 ypg).

> Buffalo 26 AKRON 25. Akron has played the more difficult schedule (No. 78 vs No. 117) but Buffalo has the better ypp margin (-0.5 vs -1.1). Both teams offense have struggled ranking No. 117 and No. 121 in total offense. However, Buffalo games have went OVER in each of their last 4 and that's where our lean is

> Toledo 30 EASTERN MICHIGAN 23. Toledo has lost 3 games outright as a favorite already this season (did pull a pair of upsets). Last week was a disheartening home loss to arch rival Bowling Green that will likely have the Rockets on the outside looking in as far as the MAC Championship goes. EMU is off a road upset loss to Akron. The Eagles are a phony 5-3 as they are -1.3 in ypp margin (No. 125) despite playing the No. 149 schedule (including FCS teams).

> BAYLOR 32 Tcu 29. Important game for bowl positioning in the Big 12 and both head coaches job security. TCU is +1.3 in ypp margin while Baylor is +1.1. Baylor has played the tougher schedule (No. 19 vs No. 45). There's been some money on the UNDER so far this week and that is where our lean is.

> Northwestern 24 PURDUE 22. It is tough making Northwestern a road favorite but that is how bad Purdue has been this year. The Boilers are No. 128 in ypg margin and No. 132 in scoring margin. They are coming off a bye and have played the more difficult schedule. We think the Northwestern defense is the best unit and they have the better coaching staff.

> Minnesota 23 ILLINOIS 22. A ton of money has come in on Minnesota in this game. The Gophers are 6-1-1 ATS on the season with an average cover of 7.4 ppg. They're coming off a blowout win over Maryland. Meanwhile, despite a 6-2 record Illinois is -0.1 in ypp margin (No. 88) and -9.5 in ypg margin (No. 88) this season. With that being said, we can't get our ratings to the current Minnesota -3 number. **Indiana 29 MICHIGAN STATE 22.** Keep an eye on the status of Indiana QB Kurtis Rourke. There is some optimism he could return here after missing last week's game. The Hoosiers have been a machine covering 7 straight games. Their scoring margin swing of 40 ppg from last season is the biggest in CFB in at least 50 years. They have played the No. 91 schedule while Michigan State has played the No. 21 schedule. MSU had a misleading loss to Michigan last week. We lean MSU at +7.5 or more and will get a big number if Rourke does play.

> North Carolina 27 FLÖRIDA STATE 24. Mack Brown is 0-8 alltime vs Florida State in his career. This is likely his final chance to beat the Noles and who hasn't this season with FSU having an historically bad year. We like what we saw from NC out of the bye with their blowout win over UVA. It was the Tar Heels' first ATS cover of the season. With FSU now eliminated from bowl contention, what else is there to play for?

† Georgia 35 Florida 17. @Everbank Stadium in Jacksonville, FL. Both teams are coming off a bye after their best performances of the season. Florida blew out Kentucky as 2.5-point underdogs in true freshman QB DJ Lagway's coming out party. Meanwhile, Georgia crushed then No. 1 Texas 30-15. Florida actually has the better ypp margin (+1.6 vs +1.5) but Georgia has played a tougher schedule so far. Plus, we trust Kirby Smart and Co. with two weeks to prep vs a young QB and that Florida defense has benefited from questionable offenses in recent games. We like Georgia.

NC STATE 31 Stanford 20. A really tough spot for Stanford here traveling across the country for the 4th time in 7 weeks playing a NC State team fresh off a bye. The Cardinal have dropped 5 straight games (0-4-1 ATS). NC State has a much better ypp margin (-0.1 vs -1.7) and true freshman QB CJ Bailey is getting better by the week coming off back-to-back 300-yard passing performances. We like NC State and the OVER despite the market liking Stanford and UNDER.

Memphis 33 UTSA 25. How does UTSA pick itself up after last week? The Roadrunners led Tulsa 35-7 at halftime. They still led 42-17 late in the 3Q but somehow lost 46-45. One of the preseason favorites in the AAC and UTSA will probably miss out on a bowl game now. Memphis is 7-1 but only 1-4 ATS in their last 5 games as their defense is starting to get exposed. We haven't bet side or total yet.

UTEP 26 Middle Tennessee 24. UTEP QB Skyler Locklear is questionable here. DJ Pickles left a lot to be desired replacing Locklear in their last game. UTEP does have better ypp (-0.9 vs -1.5), ypg (-78.9 vs -128.6) and ppg (-13.3 vs -19.4) margins. MT's defense is the weakest unit. We can't get involved until UTEP's QB situation clears.

IOWA STATE 36 Texas Tech 22. As of Wednesday morning, it looks like Texas Tech QB Behren Morton will play here. The Red Raiders are coming off a very tough loss to TCU where they blew a second half lead. Unbeaten Iowa State is fresh off a bye. The Cyclones are No. 12 in ypg margin at +134 while Texas Tech has actually been outgained on the season. We lean OVER.

Arizona State 28 OKLAHOMA STATE 27. Arizona State is off a bye while Oklahoma State is reeling. The Cowboys have now lost 5 straight games (1-4 ATS) and it looks like it will be a losing season. ASU QB Leavitt looks like he is more probable than questionable at this point. ASU is much better in the stats as they are +1.0 in ypp margin while Oklahoma State is -1.1 in ypp margin (No. 120) and have been outgained by 100 ypg (No. 124). Still, our power ratings can't get to ASU to a FG where the line is at now.

SMU 33 Pittsburgh 25. Raise your hand if you had these two teams unbeaten in ACC play at this point in the season. SMU did have high expectations but after nearly losing to Nevada in the opener and then losing to BYU, they have righted the ship with 5 straight wins (4-1 ATS). Somehow they won last week despite being -6 in TO's at Duke. Teams were on a 1-124 run when having a -6 TO margin. Meanwhile, Pitt is 7-0 SU and 6-1 ATS. They did have a misleading 41-13 win over Syracuse last week where they were +5 in TO's and had three "Pick 6's". Both QB's are banged up and questionable at press-time. We like SMU in this game but at -7 or less.

Navy 32 RICE 22. Navy suffered their first loss of the season last week as they were blown out by Notre Dame 51-14. The Mids had not turned it over since Week 1 but had 6 TO's vs the Irish. They're facing a Rice team that played without QB Warner last week. The Owls then fired head coach Mike Bloomgren after a 24-52 record in 7 seasons. Lot of moving parts here and Navy QB Horvath had a thumb issue last week. Navy games are 7-0 to the OVER by 16 ppg.

UAB 31 Tulsa 28. Tulsa had one of the biggest comebacks in recent CFB history last week rallying from a 35-7 halftime deficit to upset UTSA 46-45 as 9.5-point underdogs. UAB does come in off a bye as they have had a massively disappointing season so far. QB Zeno will be out again this week. UAB has played the tougher schedule (No. 66 vs No. 110) and is better in ypp margin (-0.9 vs -1.1).

Kansas State 28 HOUSTON 17. Houston pulled another upset last week rallying to beat Utah 17-14. While the offense has struggled, the defense ranks No. 25 in total D. Kansas State came-from-behind to beat arch rival Kansas for a 16th straight season last week. The Wildcats should be favored in every game until the final week of the season at Iowa State. However, we think this Wildcat team is a little overrated and we lean with UH here.

Coastal Carolina 29 TROY 25. Troy took some money in the market last week and ended up being the right side as they only lost by 3 at Arkansas State. QB Caldwell gives them a little more in the passing game when he's not throwing INT's. Coastal comes in off a bye and needs this for bowl positioning. We haven't bet side or total here.

SOUTH ALABAMA 32 Georgia Southern 27. South Alabama is the much better team in the stats as they are +0.7 in ypp margin, +54.8 in ypg margin and +12.7 in scoring margin while Georgia Southern is -1.2 ypp, -78.5 ypg and -1.9 in scoring. GS's No. 126 defense will have difficulty vs SA's No. 19 offense. Pass.

Usc 27 WASHINGTON 26. Nothing says Big Ten football like USC at Washington. Both have struggled in their new conference this season and both need it if they have bowl aspirations. Washington is better in the stats with a +2.1 ypp margin (No. 11) and +164 ypg margin (No. 10) vs USC's +0.7 ypp (No. 47) +64.8 ypg (No. 42). We bet UNDER and also lean Washington if you can find a + 3.

IOWA 24 Wisconsin 20. Iowa is going to Brendan Sullivan at QB and we think he is an upgrade over Cade McNamara. Iowa is +0.7 in ypp margin while Wisconsin is +0.4 for the season. Wisconsin might have been given too much credit for beating Purdue, Rutgers and Northwestern. They couldn't get the job done last week vs a Penn State team with a backup QB. We lean Iowa.

NEBRASKĀ 25 Ucla 18. UCLA comes in off a much-needed by after playing arguably the toughest schedule in the country so far. Their defense has hung tough that has allowed them to cover 4 of their last 5 all as an underdog. It was their offense that finally got going though in their win over Rutgers prior to the bye. Meanwhile, Nebraska is off a great effort at Ohio State that just came up short. Not sure we can trust their offense though to lay a TD. Pass.

Oregon 31 MICHIGAN 16. Michigan looks like they have finally figured out the OB position as Davis Warren had the most efficient game by a UM QB last week in the win over Michigan State. Still, this is an extremely limited No. 124 offense that now faces an Oregon defense that can stack the line of scrimmage as the Ducks secondary can lock down the weak UM WR's. The other side of the ball is more interesting. Can UM's talented DL get pressure? Oregon's OL is improved from the start of the season but will get tested here. We like Oregon but don't like the price. Lean OVER.

NEW MEXICO 34 Wyoming 27. Both teams had misleading losses last week (see page 1). NM has certainly been better in the stats at -0.5 in ypp (Wyoming -1.6) and -10.3 ypg (WY -105.1). They've also played the slightly tougher schedule. NM's No. 10 offense is the best unit on the field but we can't lay more than a TD here.

MISSISSIPPI STATE 38 Massachusetts 18. After suffering 7 straight losses, Mississippi State really needs a feel-good win here. They have played the 5th toughest schedule in the country (per Sagarin) while UMass has played the No. 130 schedule. UMass was crushed by fellow SEC member Missouri a few weeks ago. While Miss St is not as

good as Missouri, we feel have motivation for margin here. **Texas A&M 24 SOUTH CAROLINA 23.** We like South Carolina in this game for a variety of reasons. Number one, we like the spot as SC comes in off a bye while A&M is off their biggest win of the season. That win over LSU was misleading as A&M was outgained, were +2 in TO's and benefited from 3 missed LSU FG's. A&M has been outgained in 3 of their last 4 games. SC is 2 plays away from being 6-1 as they easily could have beat both LSU and Alabama. We don't think they will be intimidated here.

TENNESSEE 29 Kentucky 14. Kentucky has been one of the biggest disappointments in all of CFB this year. You can see their upside in a 1-point loss to Georgia and a road upset of Ole Miss. However, they have now lost 4 games outright as a favorite this year including 3 straight games. They're taking on a Tennessee team fresh off a bye. The Vols beat rivals Florida and Alabama prior to the bye and still rank in the Top 5 in ypg and ppg margins. Tough laying this kind of number though with an offense that is averaging just 22 ppg in SEC play.

FRESNO STATE 32 Hawaii 19. Both teams come in off conference wins last week. Fresno is slightly better in the stats (+0.3 in ypp vs -0.1) and has played the slightly tougher schedule (No. 97 vs No. 102). That doesn't equate to laying 2 TD's but we don't like backing Hawaii on the mainland. Lean OVER.

Colorado State 24 NEVADA 23. Will QB Lewis play for Nevada? They missed him last week in the loss at Hawaii. Colorado State has quietly covered 5 straight games. The stats and strength of schedule say slight value on Nevada but we need Lewis to play.

Ohio State 23 PENN STATE 20. We don't like the Ohio State OL right now. Their LT Simmons is out for the season and his backup was playing very poorly and got hurt last week. Now they face a great Penn State pass rush led by Abdul Carter. However, Penn State QB Allar is questionable here. You can't really trust either coach in a big time game at this point. We prefer the UNDER with both D's having the edges at this point.

Week 10 Computer Projected Lines for Every CFB Game

For the past eight seasons we have posted computer projected lines for every game on Wednesday. Games where there was of difference of more than 3 points saw our computer lines actually beat the Vegas line at a 487-414-14 (54.1%) clip! That's pretty solid and actually better than our own handicapping in some seasons. Keep in mind, these computer lines don't take into consideration off-the-field factors like revenge or flat spots or if there are late-week injuries. They are basically a power-rating number difference between the two teams that also takes into consideration the home field advantage.

This year's record is 13-18 so far. Of the 2 games where our computer is off more than 3 points compared to the Vegas line (highlighted), our favorite team this week to back would be Oklahoma State +3

The Comp column is the computer projected line and the Diff column is the difference between the Vegas line and the Computer line. "+" numbers in the difference column say back the underdog. "-" numbers in the difference column say back the favorite. Let us know if you have questions.

Betting CFB Openers

Every Sunday in Vegas at 11am PT, Circa Sports is the first book in the world to release CFB lines and we bet them every week. We think it's the best value bets we make all week. 2020 was the first season where we tracked every single bet we made and posted them in the weekly newsletters. We were very pleased with our 119-76-3 (61%) record on these Sunday bets with an average line value of 2.6 ppg! In 2021, we were 224-196-5 (53.3%) vs the Circa openers with an average line value of 1.8 ppg. In 2022, we were 314-262-14 (54.5%, CLV 417-122-51 +1.65 ppg). Last year we were 405-358-6 (53.4%, CLV 577-137-55 +2.09 ppg). Below is some of what we bet already. Starting last season, Fan Duel and Draft Kings have been releasing select CFB games a couple hours before Circa so those bets are included below as well.

All bets are either \$550 at Fan Duel, Draft Kings, Westgate and South Point or \$1100 at Circa unless otherwise noted.

Games in Rotation Order Thursday, October 31st

Houston 21 N.Y. JETS 20. This line stinks. Yes, the Texans are banged up including losing WR Stefon Diggs for the rest of the season. However, Houston is the better team in the stats (+0.6 ypp margin vs +0.4). The Texans are No. 7 in DVOA (Jets No. 24) and they have played the tougher schedthe Patriots as 7-point favorites. They have failed to cover in them ATS wise. 5 straight games. Make it 6.

Sunday, November 3rd

TENNESSEE 21 New England 17. Obviously two of the worst teams in the NFL so far this season. The Titans are off a 52-14 blowout loss to the Lions as they were -4 in TO's (TEN did have a 416-225 yard edge). Meanwhile, the Pats are off a big upset win over the Jets, their 2nd big upset of the season (opener vs Cincy). Tennessee is -0.2 in vpp margin while NE is -1.3. The Titans are also better in DVOA Early money is on Indianapolis and this game did get flexed (advanced stat metric) and have played the tougher schedule. to Sunday Night. Even with their 1-6 ATS mark, we lean with them here.

L.A. Chargers 23 CLEVELAND 21. Jameis Winston is a major upgrade both on and off the field for the Cleveland Browns. It showed last week in their upset of the Ravens as 7.5-point underdogs. A Cleveland offense that hadn't topped 20 points in any game got 29 points and 401 yards. They're in ypp margin, they have played the much tougher schedule facing a Chargers team that is off a blowout win over the than the Commanders. We will take the hook. Saints and need to start stacking wins to ensure a playoff berth. The Chargers full-season stats (-0.1 ypp margin vs -1.1) say this line is cheap but Cleveland could be a fundamentally different team now. We like the Browns in a teaser, lean OVER and also like Cleveland team total OVER.

New Orleans 24 CAROLINA 17. The Saints are hopeful that Derek Carr can return here. That's why they are laying a TD on the road. Both teams have been hapless in recent fans in the stands. However, we will take Arizona again. weeks. The Saints have lost 6 straight (1-5 ATS) and have SEATTLE 24 L.A. Rams 23. After a 3-0 start, the Seahawks more. They're approaching historically bad numbers. However, we can't get to this number without knowing Carr's full health status. Bryce Young will start again for the Panthers. Lean UNDER.

BUFFALO 28 Miami 21. We say this every week but Miami head coach Mike McDaniel is so overrated in the betting markets. The Dolphins took a ton of money last week with the return of QB Tagovailoa and proceeded to lose outright took over the Lions in 2021, the Lions are incredibly 43-18 as 5-point favorites to Arizona. That drops the Dolphins to 1-6 ATS on the season. They're playing the Bills who are off a blowout win at Seattle. Buffalo ranks as high as No. 2 in Sagarin and No. 5 in DVOA. We lean Bills.

ATLANTA 28 Dallas 24. It's becoming crystal clear that Dallas will be making a head coaching change sometime this season. The Cowboys are now 3-4 and several games back in the division. Meanwhile, Atlanta is much better in the stats (+0.6 ypp vs -0.8) and No. 13 in DVOA (Dallas No. 26). The only reason this line isn't higher is the Cowboys public reputation. We think this line is cheap.

BALTIMORE 27 Denver 18. Denver has definitely been a surprise this year at 5-3 SU and 6-2 ATS. However, they have benefited from playing one of the weakest schedules in the NFL and now face a Baltimore team fresh off an upset loss to Cleveland. The Ravens rank No. 1 in the NFL in yards per play (ypp) margin at +1.3. They rank No. 2 in DVOA and have played a much tougher schedule than the Broncos. We DVOA. They obviously have the best HC, QB and DC in the were hoping for a cheaper number here but the market is all league. The Bucs have lost 4 of their last 6 games. More of over this one.

HOME TEAM IN CAPS CINCINNATI 27 Las Vegas 20. Cincinnati let us down big time last week in their blowout loss to the Eagles. It was our favorite NFL play. We still think they are underrated at 3-5 SU despite a +0.4 yards per play margin (No. 12). Obviously, the Raiders had a big effort at home vs the Chiefs last week but still came up short. They are dead-last in TO margin at -13. Cincy has lost outright twice already this season as a ule so far. The Jets are coming off a disastrous upset loss to 7.5-point favorite. They won't lose here but we can't back

> MINNESOTA 25 Indianapolis 21. Indianapolis has now covered 6 straight after a 23-20 loss to the Texans as 5-point road dogs. They aren't good in the stats at -0.1 ypp and rank No. 20 in DVOA but we do like the move to bench Anthony Richardson in favor of Joe Flacco. Richardson was never going to make it in the league and was a really poor draft pick if you watched any Florida football games. After a 5-0 start, Minnesota is off back-to-back loses but has extra rest.

> Washington 23 N.Y. GIANTS 20. Washington is off the dramatic "Hail Mary" win over the Bears that moves them to 6-1-1 ATS on the season. They're facing a Giants team off three straight losses. The G-Men have been underdogs in every single game so far this season. While they rank No. 28

> ARIZONA 23 Chicago 22. The market does not like this Arizona team this year as they continually get bet against every week. Arizona is a respectable No. 19 in DVOA and -0.1 in yards per play margin (No. 17) despite facing arguably the toughest schedule in the NFL so far. Meanwhile, the Bears are -0.6 in ypp margin despite playing one of the weakest schedules in the NFL so far. Yes, Chicago will have a ton of

lost by at least 2 TD's in 4 straight. Carolina is 1-7 SU and are not trending in the right direction as they have lost 4 of 1-7 ATS on the season. Every loss has been by 10 points or their last 5 also failing to cover in 4 of those 5. Meanwhile, the Rams are off back-to-back wins and last week's win over Minnesota was arguably their best performance of the season. Seattle is better in the full-season stats (+0.0 in ypp vs -0.6). We like Seattle in a teaser here.

Detroit 25 GREEN BAY 22. Jordan Love did not practice on Wednesday due to his groin injury. That's why the Lions are laying more than a FG here. Since Dan Campbell ATS (70.5%!). They are 6-1 ATS this season and are fresh off crushing the Titans by 38 points. They rank No. 1 in DVOA, No. 1 in Jeff Sagarin and are No. 3 in ypp margin. Green Bay has been pretty impressive themselves as they are +0.7 in ypp margin (No. 4). We're passing for now.

PHILADELPHIA 27 Jacksonville 19. Philadelphia has won 3 straight and have needed it to stay pace with the surprising Commanders in the division. The Eahles rank No. 5 in ypp margin and No. 5 in Sagarin. Despite a cover last week, the Jags are just 2-6 on the season and will likely be making a coaching change soon. They've been so bad that this game got flexed out of Sunday Night. Not sure we want to lay more than a TD but Philadelphia is a solid teaser.

Monday, November 4th

KANSAS CITY 28 Tampa Bay 18. The Chiefs remain the only unbeaten team in the NFL. They aren't overly impressive statistically at +0.3 ypp but have moved up to No. 4 in the same.
