

May 2011

Hi Nobles

The plan is in place. We are in the process of implementing the plan. Now we can see the light at the proverbial end of the tunnel. The light is the 56th Annual Shrine Circus! Your Circus Committee has worked tirelessly since November 2010 on our circus and now it's time to enjoy the sights, sounds, and smells that occur annually at our circus. Making memories and witnessing the multitude of smiles on the faces of all is what we're about. Remember we do it for only one reason to help the kids!!

We need the help and assistance of our Nobles as the summer festival season is just around the corner. Why not come out to our May 2011 meeting on the 26th at 8:00 p.m. and help us in the planning process of these important fundraisers for the Lakehead Shrine Club. Your thoughts and ideas are encouraged. Why not give one or two of our new Nobles a phone call and bring him to the meeting with you?

Noble Craig Wolverton, President  
Lakehead Shrine Club
