- Reviewed proposed budget. The only new addition to the budget from the September meeting was adding a gift amount for the volunteer coaches that are conducting fall workouts.
- Budget was unanimously approved.
- Apparel Coordinator is Amber Plunkard. She is currently organizing a merchandise store that will be open for the holiday season. Merchandise will be available by 12/15.
- The player's gift ideas were windbreakers, Nike Tech jacket & backpacks. The idea was proposed to give all players an SV bat bag the first year they are in the program. Therefore, they would receive two player gifts at Meet the Raiders the first year they make the team. This is being considered and we would have to catch up with all players that have not received bags to this point.
- Geno Mell is interested in shadowing Shawna to make the transition smooth for the following year.

Promotions: Colleen Piekutoski

- Homecoming Parade/Carnival was a success. We made \$105. Game was our biggest success. Food sales were difficult as two other organizations were selling hot dogs as well and one other organization was selling popcorn.
- Plan for an increase to the Homecoming float & décor for next year as the Conville Family generously donated it.
- Will begin the promotions/sponsorship process on 12/1.
- Working to update the sponsorship packages. Will also make available a Happy Ad to sell to families for younger athletes.
- Will have an all-color yearbook. Voted unanimously.
- Jenn Mazzei is interested in shadowing Colleen & Janell to make the transition smooth for the following year.
