

STEVE BRADSHAW

Forensic Mystery/Thriller Author

Steve is a forensic mystery/thriller author drawing on life experiences as forensic investigator and biotech entrepreneur. He received a BA from University of Texas and trained at the Institute of Forensic Sciences where he investigated 3,000+ unexplained deaths for the Medical Examiner Office. As founder-president/CEO of an innovative biomed company, Steve led development of an innovative meniscus implant now under FDA clinical review. Today, Steve puts his readers on the front row in fascinating worlds of fringe science, forensic investigation, and the chilling pursuit of real monsters. His books include BLUFF CITY BUTCHER, THE SKIES ROARED, BLOOD LIONS, EVIL LIKE ME, SERIAL INTENT and TERMINAL BREACH.
