

Goulds Recreation Information Package

2022

Hello and a huge welcome to those interested in our Summer Day Camp! We are excited to get back to a much “normal” day camp this summer! Our past two summers were greatly impacted by the COVID-19 Pandemic. And while those summers were quite challenging, they also opened our eyes to some great program measures that we will be carrying forward. Our priority will always be to provide a safe and fun environment for our participants, while offering quality programming. If you have any questions, do not hesitate to contact us at gouldsrecinfo@gmail.com or by phone at 745-7575. If your questions revolve around a confidential nature, please contact our Recreation Coordinator, Nicole, through email at gouldsrecreation@gmail.com or by phone at 745-7504.

DAY CAMP INFORMATION SESSIONS – MAY 19th

Session 1: 6:30pm In person at the Rec Centre. Face Masks are strongly recommended

Session 2: 7:45pm Zoom (Virtual). Please email gouldsrecinfo@gmail.com to receive the link

The information session is a great opportunity to ask any questions and to get a better understanding on how our day camp works. It is also an opportunity to view how on-line registration works. We STRONGLY recommend any new parents/guardians looking to register to attend one of the info sessions. We also STRONGLY recommend any parents/guardians of participants who have only participated during a COVID-19 impacted summer to attend as well. This summer is going to look quite different than the last 2 summers.

If you are uncertain on what camp you should register for, please email us at gouldsrecinfo@gmail.com or call Nicole at 745-7575. If you register for the wrong camp, we will not be able to move your registration to the appropriate camp. During initial registration, we realize that you may be rushing to hit register. However, it is very important that we receive the correct registration through the system. WAITLISTS:

Through our on-line registration, you can place your child's name on our day camp wait list. If a spot(s) should become available in certain weeks, an email will be distributed to everyone on that wait list for those weeks. Spots will be filled based on returned email, followed by payment made (first come, first serve). We strongly encourage you to put your child's name on our waitlist if you do not confirm a spot. Under certain circumstances, ie. Uncertainty of summer holidays, spaces do become available in our camps.

CAMP HOURS OF OPERATION:

Monday – Friday; 8am-5:30pm with lunch supervision provided. We ask that you respect drop-off and pick-up times. Children cannot be dropped off prior to 8am, even if counselors are on site. And children must be picked up no later than 5:30pm. Children do not need to be dropped off at 8am. It is actually great and beneficial to our counselors when drop-off amongst participants is staggered between 8am and 9:30am. Due to the amount of sanitizing/cleaning, we would appreciate it if your child could be picked up by 5pm, but we understand that this may not always be possible.

COST:

A \$25 non-refundable deposit must be made once you receive your Eventbrite registration confirmation (within 24 hours of registration).

Regular weeks are: \$115 per week; \$105 per additional child in same family (same household). Day camp week payments must be made two weeks prior to each week. If not paid in that time frame, your child's name will be taken off the list and the space will be filled by someone on our wait list. You will find a payment sheet within this package. Refunds will not be issued with less than two weeks notice of the week cancelling. Canada Day week and Regatta week are pro-rated. The price of those weeks can be found on the payment sheet within this package.

It is also important that we are aware of who is permitted to pick up your child.
- For the safety of participants, Goulds Recreation, as advised by the Royal Newfoundland Constabulary, will follow specific procedures should a parent/guardian arrive on site appearing to be under the influence. Counselor will immediately contact their supervisor, as well as the RNC.

- All counselors are trained in the High Five Principles of Healthy Child Development (www.highfive.org), policies and procedures, supervision, safety/cleaning protocols and first aid.
- Our Association will stay up to date on recommendations/measures from Public Health in regards to the operation of Day Camps.

- Parents are encouraged to stay up to date on recommendations/measures from Public Health in regards to Day Camps.
- it is recommended that those considered vulnerable to the effects of COVID-19 or who have family members considered vulnerable to use discretion in availing of day camp programs.
- Children should be fully trained; able to independently wash their hands and feed themselves. Children who require assistance with personal care and feeding may be accompanied to the Day Camp by an independently hired respite worker.
- Counselor to child ratio will be a max of 1 counselor to 10 participants, however, we strive to do better than that and have a 1:8 ratio.
- Counselors will be assigned a group of children as per established ratio and counselors only change when necessary (ie. Scheduled breaks).
- Wherever possible, we will try to keep siblings or friends together in the same group. Feel free to email us at gouldsrecinfo@gmail.com to let us know who your child would be comfortable with. We may not be able to accommodate all requests, as several factors come into play, ie. Size of group, age appropriate grouping/activities.
- Counselors will practice, model and support children in good hygiene efforts such as handwashing, covering a cough and use of tissues or crease of elbow for coughing and sneezing.
- Facilities and equipment will be cleaned daily. Additional attention will be made to high use areas such as washrooms, doorknobs, tables and chairs.

BEHAVIOURAL GUIDELINES

Goulds Recreation Association is committed to providing quality programs that promote positive social, cognitive, physical and emotional development. Based on this, we want to ensure that there is a mutual understanding of what is acceptable behaviour and unacceptable behaviour. Our staff will take every reasonable effort to ensure meaningful participation. Please read our guidelines for acceptable and unacceptable behaviours.

ACCEPTABLE BEHAVIOURS: Goulds Recreation counselors/staff, patrons, participants and guardians are expected to exhibit the following behaviour while participating in programs and services:

- respect
- kindness
- safety
- honesty
- responsibility
- healthy choices

UNACCEPTABLE BEHAVIOR: behaviour with the intent to harm others, property or which would otherwise negatively impact program quality is unacceptable and will not be tolerated. The group will review daily behaviour expectations in the form of "Promises". These promises will be displayed within the Rec Centre. Counselors will use discretion to take appropriate action if unacceptable behaviour occurs. Our general process of addressing unacceptable behaviour is as follows:

- Unacceptable behaviour will be discussed with the participant
- Depending on behaviour, parent/guardian of the participant will be notified of the unacceptable behaviour and may be asked to arrange immediate pick-up of the participant.

First occurrence: Lead staff and/or Rec Coordinator will work with the participants and Parent/Guardian (if applicable) to identify solutions to assist the participant in displaying expected behaviours in the future.

Second occurrence: The participant may be re-introduced to the program following a meeting, with parents/guardians (if applicable) to establish an individualized plan to prevent further unacceptable behaviour and encourage positive behaviour

Third occurrence: The participant may be removed from the program/facility on a part-time or full-time basis.

If Goulds Recreation is unable to ensure the safety and well-being of patrons, participants, other, the security of property or program quality, we reserve the right to remove the patron/participant displaying unacceptable behaviour from the program or facility.
