

Porter Trimble

Date of Hire: July 2018

Before joining our firm, Porter Trimble was in a sales position with the Louisiana distributor, Ferris Brothers. Porter is a Central Louisiana native and served in the US Navy Submarine Service for eight years as a sonar supervisor and weapons division training manager. He has twenty years of outdoor industry experience, along with being a life-long fisherman and hunter. For eleven years Porter had his own regional outdoor television show and also was a regional tournament manager for American Bass Anglers. His addition to our staff will enhance our reach and frequency of call in the Louisiana territory.
