

WFHS VIRTUAL Club Meeting, February 16th, 2021

Meeting Minutes

Next Virtual meeting is March 9th, 2021

Michelle Stacks: (President)

Have two open Board positions, Chaplin and Field and Maintenance. If interested or have questions you can contact Michelle @ (850)501-1440. Will be discussing the new budget for the season and must get it passed. In need of a member that can takeover taking Pictures at Games and uploading them to a sharable drive. Senior Banners are on fence that leads to Stadium. Parent/Player can take down at anytime. Meetings can continue to be on Tuesdays.

Finance

****Tameka Leonard (Treasurer)***, Current bank balance \$15,306

Proposed budget as of now total expenses are at \$22,270. We have items in question that need to be resolved and that number will change. 1st question is if the Boston Butt sales will remain with the QBC or go to Coach Rhett's fund, Sponsorships, as well as expenses included for Banquet that we aren't going to have due to Covid restrictions.

Coach Rhett,

Re Boston Butts, QBC can still sale those when they want to. We have separate accounts for QBC and internal Football accounts. Coaches usually don't help towards QBC Butt sales since the money received does not go towards the Football accounts and vice versa. Rhett can assist with QBC cooks but not Coaches. July 4th Butt sale is done by Coaches as it goes towards their summer pay. Adult volunteers for QBC Cooks will have to remain on site the entire time the Butts are cooking, approx 12 hours.

We've been told by Admin that we aren't allowed to have Banquets. May have to do something out of school as a small event. Still in the works.

Have been contacted by new company to do our programs. previously Game Day did the programs and gave us around \$2k this included shoutouts. New company is offering \$1500 for first year.

Another fundraiser is the Fire work stand possibly at Walmart. between 7-14 days. Will need between 1-2 people working daily. The lowest we'd make would be \$3k up to about \$5k.

Kathy Worley,

Since budget is not in front of us recommending to not vote until submitted to all. Also to Coach Rhett, Since there were no games, helmets cost were not included in budget that were purchased this summer and there is still an outstanding balance. If its not on Budget we can't purchase. Recommend to revisit budget and submit before end of February. Budgets can change throughout.

Monica Willis (VP of Fund Raising), We will post Google form to Budget and can vote via the Website.

Parents,

Other Sports programs have had Banquets off site and used the Covid precautions. Maybe a cookout. Possible Beach when it gets warm for Senior Banquet.

Coach Rhett:

Pushed back on schedule. Waiting on FHSA that has to put out districts schedules.

Will have to come up with **Memberships**. Previously some parental concerns were, What they'd get out of becoming a member. We will need to come up with incentives and ideas to promote memberships.

Sponsorships, can continue to build on and add perks. Maybe have individual sponsors per game.

Website needs to be revamped as info is old and outdated.

In class students are doing strength training. Remote students are asked to come after school Mon, Tues, Thur until 4:15. Will finish training the week before Spring Break and students will be tested on their Max strength. After Spring Break asking kids that aren't playing in another sport at this time to come after school twice a week to get outside work and lift. Spring practice will start May 3rd. Will have shorts and helmets. Full gear will start after 3 weeks. Red & Black game the 2nd week and on 3rd week will have an actual game that everyone will play in. Will start seeing info on Golf Tournament that we host at Scenic Hills Golf course on Sat. April 10th at 1pm. That activity is another way Coaches get paid for summer pay. If anyone would like to offer sponsorship or help in anyway as well as if you'd like to get a team and play, Contact Coach Rhett.

We won't be getting new uniforms this year so req to have pics taken early possibly no later than July to have programs done. Looking into different options for new Photographer.
