

Planet Earth

A nuclear free zone !

Planet Earth free of:
nuclear power, weapons,
propulsion, waste...

Zero tolerance to nuclear power,
weapons, propulsion, waste !

Nuclear power as energy provider ends! Nuclear power stations are dismantled! New are not build! Nuclear power leaks, pollutes air, water, soil, whole ecochain and food chain! Silent invisible it makes everything sick including people. Nuclear power station owners, operators, employees (**supervisor upwards**) are held accountable: prosecuted for threat to human survival, environmental vandalism, being a threat to specie survival of animals and vegetation! **They get, MS R7 !**

Nuclear weapons are confiscated and destroyed. Manufacturers are closed down! Research and technology of nuclear weapons ends!

Remember the Attack on Humankind Remember
the innocents of 'Hiroshima/ Nagasaki'

Nuclear scientists, manufacturers, military stockpiling using them are

held accountable: prosecuted for threat to human survival, environmental vandalism, being a threat to specie survival of animals and vegetation! **They get, MS R7 !**

Nuclear propulsion as transport mode ends! Manufacturers are closed down! Research and technology of nuclear propulsion ends! Nuclear propulsion scientists, engineers, manufacturers, operators, owners, are held accountable: prosecuted for threat to human survival, environmental vandalism, being a threat to specie survival of animals and vegetation! **They get, MS R7 !**

Nuclear waste pollutes air, water, soil, whole eco-chain and food chain! Silent invisible it makes everything sick including people. But most dangerous it creates mutations including changes to human DNA! People who are responsible for nuclear waste are criminals of the worst kind. A special rehabilitation is build where the waste is stored. The criminals responsible live their with the waste: **MS R7 !**

Want Planet Earth to become a nuclear free zone? You have to get active Go out side and let people know (**non violent**).

YOU DEMAND PLANET EARTH to be a NUCLEAR FREE ZONE!

Contact all the media, politicians, demonstrate, ask teachers to discuss it with the children.
