Mr. Matthew Hess

Dear Mr. Hess,

Thank you for stopping by my Sidewalk Office Hours in front of Ralph's in Clairemont on Saturday, August 14th.

I appreciate your taking the time out of your busy day to come and share your concerns with me. Opportunities like this one are a great way for me to meet you and hear about what you think is important in San Diego and California. I am pleased that, thanks to your participation, this was a successful event that gave me the chance to get to know Clairemont residents better.

Also, thank you for bringing me additional information about your legislative proposal. This is something that I will look over and discuss with my legislative staff. We are nearing the end of this legislative session, and no new bills will be introduced until the new session begins in December. However, I will certainly keep your views and your organization in mind.

Please know that my door is always open should you need my assistance with any state issue in the future.

Sincerely,

A handwritten signature in blue ink that reads "Christine".
