

**HOLD HARMLESS REALEASE** - As a member of Joan Wulff Fly Fishers (JWFF), I understand the risks in participating in club outings, the dangers of the sport, and outings of JWFF. Outings include, but are not limited to: fishing, wading and all other activities associated with the trip.

I understand that I am solely responsible for myself on all JWFF outings and the costs of medical treatment and other expenses or losses that I might incur as a result of any accident or incident in which I might be injured or suffer loss. Further, it is my personal decision to participate or not participate in any/all club outings.

I release, indemnify and hold harmless Joan Wulff Fly Fishers, its officers, directors, and members for any claims for personal injury, disease, death, and property damage or other loss that may arise out of any JWFF outings.
