## Important Exhibitor Information

WCOTC is delighted to hold its 20<sup>th</sup> annual Labor Day Weekend agility trials at B&D Creekside Activity Center. Unlike previous years, we have "New Normal" protocols that are incorporated into WCOTC COVID-19 Guidelines that all of us have to follow. We request everyone's help to have a safe and fun weekend.

By entering these trials, I agree to abide by the WCOTC Covid-19 Guidelines which includes social distancing and wearing a mask to ensure a safe environment for everyone. I will also fully cooperate with any county or state guidelines. Exhibitors not complying with these guidelines will be asked to leave and not issued a refund.

To the best of my knowledge, at the time of the trial if I have Covid-19 or its symptoms, I agree to refrain from attending these trials. I agree that I am attending these trials entirely at my own risk and assume all risk and full responsibility for my own health and safety.

I fully submit that WCOTC, its members, directors, officers and all persons connected or associated with WCOTC are in no way liable for any present or future COVID-19 infection incurred at any time by any person, in attendance or not in attendance, before, during or after these trials

- Grooming of dogs is not permitted** in the arena.

## Class Changes Effective January 1, 2020

- Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. The same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.
- If a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title.
- Within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day.
- A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.
- When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. The 1<sup>st</sup> run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

### Entering For Exhibition Only (FEO)

- FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and enter in the desired jump height.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed
- The exhibitor must declare FEO in the ring prior to leading out.
- Toys are allowed in the ring.- must be non-audible - may not leave the handler's hand - toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Judges can stop a run at any time.

### Fix and Go On (FNG)

- FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. Using FNG will result in a non-qualifying score.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.

*PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
