## Triangle Sertoma Club Scholarship Fund

In kindergarten through twelfth grade there are nearly 200 children with a documented significant hearing loss in the Durham Public School System.

For over 35 years the Triangle Sertoma Club, through it's volunteer fund raising, has annually provided the school system hard of hearing program with funds to obtain the most up to date technological equipment and teaching aids to help hearing impaired children reach their fullest potential.

The Triangle Sertoma Club has now created a scholarship fund to annually award an outstanding hearing impaired Durham Public Schools graduate who is planning to attend college.

To assure the viability of this scholarship program, we need your generous support. One hundred percent of your tax free donation will go to the annual scholarship fund.

Yes, I am pleased to support the Triangle Sertoma Scholarship Fund for hard of hearing college bound graduates of the Durham Public School System.
