services

tailored to fit your individual needs

HEARING TESTS

We provide mobile and in-house diagnostic hearing tests for adults and children. We also provide onsite hearing tests for industrial workers, schools, daycares, and assisted living facilities.

HEARING AIDS

We offer several different styles of state-of-the-art hearing devices. Each device can be customized to a different color, style, and level based on your hearing loss, lifestyle, and budget.

TINNITUS MANAGEMENT

We offer a proven tinnitus management program that can help you better manage the ringing in your ears.

CUSTOM MUSICIAN PLUGS, IN-THE-EAR MONITORS, & NOISE PROTECTION

We provide custom products to fit musicians' needs
We also provide custom products to protect your ears from loud noises during recreational activities while shooting, hunting, listening to music players, and traveling.
