

Greater Kansas City Regional FIRST® Robotics Competition March 17-18, 2017

Metropolitan Community College
Business & Technology Campus
1775 Universal Ave., K.C. MO

More than 1,000 high school students representing 60 teams from around the metro and surrounding states will participate in fast-paced robot matches. *FIRST STEAMWORKS* invites two adventure clubs from the steam-powered era to prepare their airships for the ultimate long distance race. The adventure club with the highest score at the end of the match is best prepared for the race and wins.

For more information visit kcfirst.org.

See behind the scenes! Register now for a backstage student-led tour.
Volunteers needed throughout the event: [Learn more.](#)
